FUN TIME!

Sheep & Goat Camp gives youth a chance to meet new people who share their interests. This is an educational and fun day, full of workshops and activities.

PARTICIPANTS

Open to any 4-H youth 8-18 (as of January 1, 2021) wanting to learn more about sheep and goats including management, handling, characteristics and breeds, general healthcare, fitting and showing, judging, nutrition, and much more.

- All adults will assist with the program in some way during camp. Activities will begin with registration on Saturday at 9:00 a.m.
- Each youth must have an adult 4-H chaperone on hand for the duration of the camp. A chaperone may be responsible for multiple youths, but that leader or parent/guardian must register for the day.
- A complete list of items to bring will be sent once your registrations have been received.
- To request a disability-related accommodation to participate in this program, please contact Martha Seifert at 802-388-4969 ext. 335 by June 1, 2021 so we may assist you.

SHEEP & GOAT HEALTH REQUIREMENTS

- Each member will be assigned one sheep or goat to work with at camp, as if preparing for a fair or show. Siri Swanson will be supplying the sheep for your use.
- This year we are conducting Sheep & Goat Camp a little differently due to COVID.
- Only youth will be working with the animals for the hands-on experience.
- Everyone will need to bring their own food and drinks. We will have water available for you.
- Even though the sheep will be provided you still need to bring your equipment to use and learn from.
- **Masks are to be worn at all times.**

Enjoy your day by reconnecting with fellow 4-H’ers and volunteers, and learning more about your project!
