STEM* Showcase 5.0
presented by UVM STEM Ambassadors

Saturday, November 4, 2023
10:00 a.m. – 12:30 p.m., UVM campus

Join us for a showcase of unique, hands-on STEM learning! Presented by the UVM STEM Ambassadors on Saturday, November 4 from 10:00 am - 12:30 pm on UVM campus, Burlington. Geared towards middle grades, but youth ages 8–14 are welcome! Choose from a range of STEM activities, including:

- The Magic of Rain Gardens: Design a Water Wonderland!
- What Floats your Boat?: Civil Engineering
- Crossroads of Mechanical and Biomedical Engineering: Strength and Materials
- Let’s Go for Gold: Robot Olympics
- Dressing for the Stars: Galactic Garb
- and more!

This program is free but advance registration is required.

Registration open until filled or until Nov 1.

Register at: [https://go.uvm.edu/stem5](https://go.uvm.edu/stem5)

Registered participants will receive a confirmation email which includes the event location details.

For questions or to request a disability-related accommodation to participate in this program, contact Margaret Coan, 4-H Educator, at 802-656-7634 or margaret.coan@uvm.edu by Friday, October 20, 2023 so we may assist you.
