- Certificates of Participation will be given at the conclusion.
- There will be five sessions and each group will rotate through all of them.
- Questions will be on just about anything related to bovine. There will be no testing; however, there will be a few take-away questions to challenge you!
- Masks are optional. If anyone is experiencing any COVID-related symptoms, please stay home.
- Plan on eating before and after the event as we plan to finish a little after noon.
- We will be at the farm and traveling outside between sessions, so please dress accordingly and wear washable boots.
- For senior dairy members (ages 14 to 18) this will be one of the events that you may choose to participate in to meet state level requirements.
