2023 State 4-H Dairy Raffle Fundraiser

The 2023 State 4-H Dairy Committee is committed to providing opportunities for youth and is doing two fundraising raffles to help raise money for the Vermont 4-H Dairy Program. The two raffles are for a Marin bike and gift card, and for an 8-foot clipping chute with floor.

The foundation of the 4-H club system is the belief that kids learn best by doing — whether it is science, health, agriculture or whatever a participant’s passion is.

The State Dairy Committee wants to see the continued success of these youth and they need your help. To find out where you can purchase raffle tickets, please call Wendy Sorrell, the State Livestock Educator, at 1-800-571-0668.
