

4-H Science Ambassadors

We are seeking students entering grades 9-12 who love science and want to take a leadership role in creating science programming for other youth next school year. Apply to become a 4-H Science Ambassador today!

Ambassadors will take the lead on:

- **VTeen 4-H Science Pathways Cafes**
 - Plan and implement 8-9 teen science cafes during the school year
- **4-H Science Fun Days**
 - Create 1-2 science fun days to get younger youth excited about science
