

THE UNIVERSITY OF VERMONT
EXTENSION
4-H

Science Fun Day

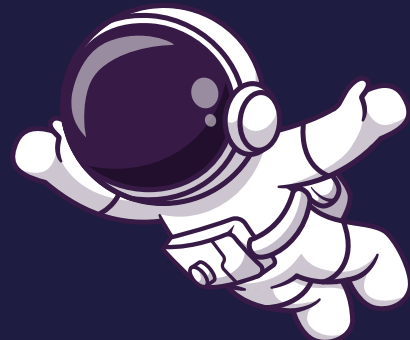

Out of this World STEM Activities!

Sunday, May 21, 2-4 pm
Barre Civic Center, Barre, VT

Come explore with us as we test, build, and create!

Activities will include:

- Flying Helicopters on Mars
- Investigate Alien Genetics
- Protect Your “Eggstronaut”:
Build an Egg-Drop Lander

This workshop is for youth in grades 3-5 and will be led by the 4-H Teen Science Ambassadors. Space is limited to 25 participants.

Join us for an afternoon of fun! Register no later than May 15 at:
www.uvm.edu/extension/youth/announcements
