

2023 Youth Farm Safety Day

Tuesday, July 11, 2023 9:30 a.m. – 3 p.m.

Newmont Farm, 161 Mallery Road, Bradford, VT 05033

According to the National Children’s Center for Rural and Agricultural Health and Safety, 33 youth are injured every day in the U.S. in agriculture-related incidents. More than half or those hurt were visiting the farm or living there but not working on-site at the time of the mishap. To help young people understand the potential dangers on the farm and how to stay safe, UVM Extension 4-H is offering a full day of farm safety workshops for all youths, ages 10 to 16. Enrollment in 4-H is not required to participate.

Details

- This is a free event and lunch is provided.
- Four hands-on workshops will be offered and focus on:
 - Proper operation of fire extinguishers
 - Tractor/ATV/UTV and farm equipment safety
 - Safe handling of livestock
 - Basic farm first aid — youth will create their own basic first-aid kit to take home

Registration

Registration required by Friday, June 16, 2023 at

<https://go.uvm.edu/farmsafety23>

Participants must register by Friday, June 16 to receive free safety vest.

**Open to all youths
ages 10 to 16**
