We know that spring and summer have been challenging times. You might have missed your fair, but Vermont 4-H wants to recognize your project efforts! We are putting together a SPARK video featuring YOU and your project(s).  

Here’s how to participate:

- Take a picture of you and your project(s) and submit them as an attachment to martha.manning@uvm.edu.
- Submit one picture per project, but enter as many project photos as you wish! The submission deadline is September 25.
- Leaders may also submit photos of their clubs and members.
- This link takes you to a sample SPARK video which you can view:  https://spark.adobe.com/video/547OdM2d4RHqD

Let’s see all the great pictures of you and your project(s) to celebrate 4-H Lights Up the Fall!
