4-H PARTICIPATION AT CHAMPLAIN VALLEY FAIR
4-H is the youth development program of the University of Vermont and the United States Department of Agriculture. The 4-H program, through clubs and special interest programs, teaches life skills through experiential learning opportunities in a wide array of project areas.

4-Hers, with instruction and guidance from volunteer leaders, plan and create exhibits that represent the past year’s learning. The Champlain Valley Fair, presented by Progressive, is the state’s largest fair and has a long record of active support for 4-H. Youth from Addison, Chittenden, Franklin, Grand Isle and Lamoille counties are welcome to exhibit. 4-H dairy and horse project members from any 4-H club in any Vermont county may enter the dairy or horse show (but no other sections). Champlain Valley Fair provides 4-H with facilities, admission for members and leaders and premiums.

The Champlain Valley Fair is an opportunity to share exhibits that will
- Educate the public about 4-H project work
- Promote 4-H
- Allow 4-H youth to take part in a large regional exposition

4-Hers may also exhibit in the following open departments (according to each department’s rules and guidelines): Art, Culinary, Fruits/Flowers/Vegetables, Home Crafts, Maple, Poultry, Sheep, Fiber Loft, Draft Horse, Open Horse Show and Cattle. For registration information and rules for these departments visit https://champlainvalleyfair.org/competitions/ Return appropriate forms to each department by the due date listed for each department.

SECTION I– TABLE TOP EXHIBITS

An excellent tabletop captures people’s attention and conveys information using both a background display AND displayed items. The exhibits may be presented by the group or by an individual. A combination of words, pictures and objects are used to convey information and teach the viewer about a subject. Both a background display and labelled 3-D objects displayed on the table must be used. Handouts or photos on the table do not count as 3-D objects. Objects should help the viewer learn and not just attract attention. A lack of 3-D objects as described above will disqualify the table top and no premium will be awarded. Use of a table cloth is suggested. Covering up brand names is suggested. *Your exhibit should measure no longer than 40” wide.* 4-Hers may enter a maximum of one tabletop.

**Anticipated premiums:** Blue - $15  Red - $10  White - $5

SECTION II – ACTION EXHIBITS/DEMONSTRATIONS/TALKS

An excellent action exhibit, demonstration, or talk captures people’s attention and engages an audience in an educational presentation. For action exhibits the audience moves along the exhibit and each participant explains a step (or two) of a process using visual aids/props, then the next speaker explains the next step(s) and so on until the entire process has been explained. Demonstrations and talks are geared for a nonmoving audience. A 6 or 8 foot table is all that is provided for exhibitors. *All other materials must be brought by the participants.* Action Exhibits/Demos/Talks should be repeatedly presented for 1 hour. Presentation dates and times are to be arranged with the 4-H office.

**Anticipated premium:** 1 to 3 participants - Blue - $15, Red - $10, White - $5  4 or more participants - $20, 15, 10.
