**CLASS DESCRIPTIONS:**    Please refer to the “New England 4-H Horse Show Rules and Guidelines, Revised 2018 for further information not covered here. It is available on the UVM Extension web site.

**Club Class:** Two or more members of a club or **combined clubs** will be given 3-5 minutes to complete a program of their choosing. Music is optional, but you must bring your own and someone to play it; a CD player will be provided. Your time starts as soon as the music begins. Your time will be given to the judge and you will be penalized if over. Since beginners are encouraged to be a part of this class, NO CANTERING is allowed. Horseless members may also participate without a horse, but must fill out an entry form and pay the fees. The group is judged on their ability to work together and the originality and style of their performance. A revolving plaque will be engraved with the club’s name(s) and the year. (Each **participant** must pay an entry fee.) No cloverbuds allowed because this is a judged class.

**Command Class:** This is an elimination contest where any rider not executing the judge’s exact commands promptly and correctly will be eliminated. The judge may ask contestants to walk, jog or trot, canter or lope, reverse, halt, back, to go from any gait to any other gait and to canter or lope in a counter lead. Each command will be given twice. By the time the second command is given, (specifically when the announcer or judge has stopped speaking) the horse must be performing that command. When at the halt, movement forward, backward or to the side will result in elimination. Head movement of the horse or rider will not count against the entry. Tack, appointments, equipment as per seat ridden.

**Costume Class:** To be judged on originality, creativity and workmanship. Will be held in the small ring after jumping is finished.

**Dressage classes:** These classes will run in a separate area. The object of Dressage is the harmonious development of the physique and ability of the horse. As a result it makes the horse calm, supple, loose and flexible but also confident, attentive and keen thus achieving perfect understanding with the rider. See separate rules.

**Driving Tack, Equipment, and Attire:** See New England 4-H Horse Show Rules and Guidelines.

**Driving Reinsmanship:** A driving class in which entries are judged on the knowledge, ability, and skill of the driver and the communication between driver and horse. To be judged 80% on handling of reins (and whip if used), control, posture, technique, and ability of driver and 20% on condition and fit of harness and horse.

**Pleasure Driving:** A pleasure driving class in which entries are judged primarily on suitability of a horse to provide a pleasant drive for a youth. Open to all pleasure driving animals. To be shown at a walk, trot, and extended trot both ways of the ring. Must stand quietly and back readily. It is emphasized that this is a pleasure class and that a good entry is one that will provide a pleasant, responsive drive for a child driver. The pleasure driving class is judged 60% on manners and performance, 20% on suitability as a child’s driving animal, 10% on way of going and 10% on condition and fit of harness and vehicle and neatness of attire.

**Melissa Issler Alumni Equitation:** Equitation class for any former 4-H member who has ridden previously in this show. See rules for Equitation classes.

Patterns will be posted. Two classes will run at the same time. **All exhibitors for each class will enter the ring in a posted order, with project identification/approval form in hand for 4-H fitting and project classes, work their pattern, and return to the barn then return to the ring for final pinning. **Walk-Trot Crossrails:** May not enter any other jumping class. To be judged as equitation. Height of fences no more than 18 inches.

**Quiz Bowl:** There will be one round of questions for each age division: 8-10 year olds, 11-13 year olds, and Seniors 14-18 years. All participants must be prompt in their arrival on Friday, July 12 to compete in Quiz Bowl, at their age group's designated time, **with their exhibitor number**. There may be tie breakers, listen for announcement.

**Ranch Riding:** The ranch riding horse should reflect the versatility, attitude and movement of a working horse. The horse's performance should simulate a horse riding outside the confines of an arena and that of a working ranch horse. This class should show the horse's ability to work at a forward working speed while under control by the rider. Light contact should be rewarded and horse shall not be shown on a full drape of reins. The overall manners, responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations. Open to Advanced Beginners, Juniors and Seniors in Western tack.

- Each horse will work individually, performing both required and optional maneuvers and scored on the basis of 0 to 100, with 70 denoting an average performance.
- The required maneuvers will include the walk, jog and lope in both directions, the extended jog and extended lope in at least one direction, stops and backs.
- Three optional maneuvers may include a side pass; turns of 360-degrees or more; a change of lead (simple or flying); walk, jog, or lope over a pole or poles; or some combination of maneuvers that would be reasonable for a ranch horse to perform.

**Ranch Rail Pleasure:** The ranch rail pleasure class measures the ability of the horse to be a pleasure to ride while being used as a means of conveyance from one ranch task to another and should reflect the versatility, attitude, and movement of a working horse. The horse should be well-broke, relaxed, quiet, soft and cadenced at all gaits. This class should show the horse's ability to work at a forward, working speed while under control by the rider. Light contact should be rewarded and horse shall not be shown on a full drape of reins. Part of the evaluation of this class is on smoothness of upward and downward transitions. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations. To be shown at the walk, jog and lope both ways of the ring. Horses must stand quietly and back readily. All horses may be asked to extend any gait. Open to Juniors and Seniors in Western tack.

**Beginner/Advanced Beginner Road Hack Classes:** To be judged on performance as a road hack animal (shown either English or Western). Both divisions will be shown at the walk, trot/jog and extended trot/jog. May be asked to back. Advanced Beginners will be shown additionally at the canter/lope, but not at the hand gallop.

**English Road Hack:** To be shown at a walk, trot, road trot, canter and hand gallop. Excessive speed at the hand gallop will be penalized. Horses are asked to stand quietly and back readily. To be shown under English tack, and martingales and dropped nosebands are not permitted. To be judged on performance, manners, suitability for a road hack, substance and conformation. Ponies are allowed.

**Western Road Hack:** To be shown at a walk, jog, extended jog, lope and extended lope. (See rules above for English Road Hack). No posting or 2-point position.

**Small Equine Classes:** Open to equines 12 hands and under or Miniature horses under 39 inches; must be at least 2 years or older. They may cross enter into the driving division classes.

**In-Hand Trail:** To be judged over 5-8 obstacles on an outside course. Full details found in the New England 4-H Horse Show Rules and Guidelines under Halter Obstacle.

**In-Hand Suitability:** This class judges the communication between handler and equine. Handlers will enter the ring at a walk while going the first way of the ring. Entries will be asked to follow given commands on the rail both ways of the ring that may include walking, trotting, stopping, backing and turning at any gait. Handlers and equine will also be asked to execute a pattern. Patterns may include any of the above gaits as well as ground tying. Equines and handlers will be judged 70% on suitability as a team in communication and execution of rail work, 15% on pattern completion and 15% on presentation of both handler and equine.

**Western Reining:** Exhibitors will be asked to perform a reining pattern, with or without music. There is no time limit. Pattern # 3 will be used and posted and printed in the pattern booklet.

**Western Riding:** All horses will follow Western Riding Pattern # 4 as printed in the NE 4-H Horse Show Rules and Guidelines. The horse in this class will be judged on riding quality and smoothness of gaits, changes of lead, response to rider, manners, disposition, and intelligence. The horse should execute flying lead changes quietly and smoothly.

**Trail Classes:** To be judged over obstacles on an outside course. Exhibitors will report for trail class after the completion of their Fitting and Showmanship classes. An order of go will be posted, starting with Sr. Trail and Adv. Beg. Trail followed by 13 & Under Trail, Beginner Trail and In Hand Trail.

**Versatility Class:** To be shown in English tack first, and may work over 2 jumps, not to exceed 18". All entries will then change to Western tack in the ring and after working on the rail, entrants may be asked to ground tie their horses. All rail work will be judged as pleasure classes. Grooms are required for the tack change. Horses will be asked to back in both sets of tack.

### **PLEASE BE ENVIRONMENTALLY FRIENDLY**

Each year we throw out recyclable material at this horse show. In an effort to be more earth friendly we would like to ask each club to bring one or more trash cans with cover(s) to recycle your bottles and cans in and then take home with you or use the recycle bins on the grounds. You may want to donate the returnable bottles and cans to a charity of your choice or use as a bottle drive for your club. Plastic water bottles can also be recycled in most places. This can be a way for you as 4-H members to help the environment. Please feel free to decorate these containers and place them in your stall or camping areas. Thank you, your show committee.

## **THE UNIVERSITY OF VERMONT STATE 4-H HORSE SHOW DRESSAGE DIVISION**

The dressage division of the State 4-H Horse Show is intended to be a learning experience for you and your horse. We will generally follow guidelines set forth by the USEF (United States Equestrian Federation) and USDF (US Dressage Federation) and WDAA (Western Dressage Association of America) but will make a few exceptions in order to accommodate riders who may be new to the dressage experience.

An informational meeting is planned to answer questions and help you be successful. If you have any questions about this show, your equipment, or need a reader, or about dressage in general, please attend. Check for time and place at the secretary stand.

### **DRESSAGE BASICS**

- Dressage shows are organized a little differently from open shows. You enter to ride test, which is a series of defined movements within the dressage arena. The test lays out what pattern to ride, at what gait, and explains what the judge will be looking for. Each movement defined in the test will be given a score between 0 and 10 by the judge. Six scores for the general quality of the ride are also given. The scores are added up and given as a percentage for that test.
- Tests are entered based on the horse's training, not the rider's age or ability. Horses may only be entered in consecutive level tests (for example, Training and 1st levels; NOT Training and 2nd).
- You are assigned a ride time for each test you enter, and you must present yourself at the in-gate at the time or forfeit.
- It is possible to get "lost" or make a mistake in the ring. If that happens, the judge will blow his/her whistle. If you don't know where to go next, or you hear the whistle after you begin your test, stop and look at the judge. She will tell you what to do. The rider is not allowed to talk in the ring except to answer a question from the judge (that includes no clucking or "kissing" to your horse!) Readers may read the test but may not converse with the rider or anyone else. Only the judge is allowed to talk.

### **RULES AND GUIDELINES FOR THIS COMPETITION**

1. To get copies of the test before the show, you may download them by searching **USEF 2019 Training and USDF 2019 Intro, and WDAA tests 2018**.
2. Class ride times will be posted at the Show Secretary's Stand by **Friday afternoon**. It is the rider's job to check this listing. The dressage committee will make every effort to accommodate conflicts between the dressage ring and the main ring. Be sure to let the dressage steward know if you see a conflict arising and we will attempt to reschedule your test. If a conflict does occur that cannot be accommodated, the competitor must choose which ring to enter.
3. Appropriate rider attire and tack/equipment for equitation at this show will be accepted in the dressage ring. If you are unsure if something is legal, come to the informational meeting.
4. You may have someone read the test for you while you are riding. If you need a reader, come to the informational meeting and let the dressage manager know.
5. Check in with the Dressage Steward when you arrive for your test. You will have a brief chance to warm up around the outside of the arena as soon as the rider ahead of you has finished their ride and makes their final salute. When the judge is ready for you to begin your ride, she will blow the whistle (or ring a bell). Once the whistle blows, you should go directly to the gate and begin your test.
6. Because Beginners may not canter in a show, they may only ride in USDF Introductory tests A and B, and Western Intro 2. Advanced Beginner riders may choose to do any of the tests because they will be cantering in the arena alone. Juniors and Seniors are permitted to enter any of the tests being offered at this show.
7. Because this show only offers tests one level apart, riders may enter any tests in both levels.
8. **There will be a limit of 60 rides assigned by pre-entry receipt. Post Entries will be used to fill scratches or drops. The Judge has the final say on any question or score.**

Most important of all, try it, and have fun!

## **SPECIAL AWARDS at the Vermont State 4-H Horse Show**

**Beginner 4-H Champion** is presented a perpetual trophy donated by Gray Tree Farm, Bruce and Jan Lingner. This perpetual trophy was started in 2008.

**Advanced Beginner 4-H Champion** is also presented a perpetual trophy donated by Gray Tree Farm, Bruce and Jan Lingner. This was started in 2008 as well.

**Junior 4-H Champion** is presented a perpetual plaque, which replaces the previous silver plate. If anyone knows the whereabouts of this plate, the Boyer Memorial trophy, please let us know.

**Senior 4-H Champion** receives the Paul Quinn Memorial Award. This perpetual award is presented to honor Paul Quinn, a staunch supporter of the Vermont 4-H Horse Program, as well as the Vermont 4-H Horse Show. Paul was an equine photographer, whose family raised and showed Morgan horses and whose three daughters were all involved in the 4-H horse program. This perpetual trophy was started in 1979.

### **Showmanship Champion Perpetual Trophy**

The Upwey Equestrians 4-H Club proudly sponsor the new Showmanship Champion Perpetual Trophy. It is given in honor of all its members who have excelled in the showmanship arena, and all they have chosen to pursue in the horse world over its 35 years of formation. Good luck to all. This was started in 2017.

### **Overall High Point 4-H Champion in Memory of Designated Hit – Started in 2011**

This award is presented to the 4-Her with the highest overall score in the 4-H division. This award is presented by the Ackerman family in memory of their gelding Designated Hit. "Hitter" was a horse that taught his rider everything from patience to responsibility, but most importantly to never give up on your dreams. Hitter was the first horse to receive the Paul Quinn Memorial three years in a row and the Versatility Award two years. The 4-H State Horse Show was always one of the favorite shows the Ackerman family attended and wish to dedicate this trophy to their best friend.

**Dressage High Scorer** receives a perpetual trophy donated by Tammy Simon and was started in 2005.

### **Other Special Awards are:**

**Jim Wallace Memorial Pleasure Class** is a perpetual award offered for a special class. Jim Wallace was a 4-H parent who worked diligently at the show for several years. His two daughters were in 4-H and participated at the show, so Jim just pitched in and did whatever he could, from setting up to running errands during the show, to helping with the clean up. He was always there to help. Jim died just days before his daughter left to represent Vermont at the Eastern States Exposition. This special pleasure class and the trophy are presented to honor his memory. This perpetual trophy was started in 1984.

**Melissa Issler Alumni Equitation Class** is a class for former Vermont 4-H Horse Show riders. These riders may be just out of 4-H, or they may be leaders now or parents who have previously competed at the Vermont 4-H Horse Show. The perpetual award is given in memory of 4-H member Melissa Issler, who lived and breathed 4-H. Melissa attended Eastern States and the Eastern National 4-H Horse Roundup and was involved in many different aspects of 4-H. This award was given in Melissa's memory by her mother Cathy Boomhower, who also donated money for a scholarship fund for Eastern States delegates. This perpetual trophy was started in 1999.

- The winner of the **Versatility Class** is presented a perpetual plaque donated by Mary Fay to honor her horse, who was shown at the Vermont 4-H Horse Show for 20 years. Marci Mac was shown by several 4-H members over the years who had the privilege of using her as a project horse. She was shown in all age divisions, as well as hunt seat, saddleseat and western. Marci made her final appearance at the Vermont 4-H Horse Show in 1996, at 30 years of age and being ridden by the same rider as in her first appearance in 1976! This perpetual trophy was started in 2000.
- 4-H Clubs are offered the opportunity to win two different awards:
  - Club Class** award: a perpetual plaque presented to the winning club in the Club Class.
  - Club Award:** presented to the club with the most points gathered by its top placing members in General Knowledge, Judging, Quiz Bowl, Horseless General Knowledge Test, Fitting and Showmanship, and 4-H Project classes.

**All trophies and plaques are perpetual and must be returned to the show the year after that in which it was awarded.** These trophies/plaques are: the Beginner, Advanced Beginner, Junior, Sr. 4-H awards, Overall Highpoint 4-H, Showmanship; the Dressage High Scorer trophy; the Jim Wallace Memorial Pleasure, the Marci Mac Versatility and the Melissa Issler Alumni Equitation awards; and the Club Class plaque.

# Hints and Reminders

Print as a single sheet of paper

- **Checks payable to: Vermont 4-H Horse Show**
- Shavings will be available for \$ 5.00 per bag. Payment is expected **when you pick the shavings up** at the truck on Thursday. Cash or check.
- An exhibitor must apply in writing to the state 4-H Livestock Educator, Wendy Sorrell, 140 Kennedy Drive, Suite 201, South Burlington, VT 05403, with questions regarding **unusual equipment** or other matters that are not clearly addressed in the program or guidelines and not addressed at the show. This must be done at least a month ahead of time. **To request a disability-related accommodation to participate in this program, please contact Wendy Sorrell at 802-651-8343 or 800-571-0668 by June 19, 2019 so we may assist you.**
- 4-H CLUBS - If the club is paying for a tack stall, you only need to fill out on the entry form the NAME OF CLUB, e-mail address and phone number and put how many tack stall(s) your club needs and enclose payment. This form is the same form as the horse and riders use.
- Please note the deadline for entries – **June 19<sup>th</sup>**. T-shirt order will be placed based on these entries.
- Please note that "Route 125 between Hancock Route 100 and East Middlebury Route 7 is not recommended for trailer trucks." Also, Route 17 between Waitsfield Route 100 and Bristol Route 116. We suggest you find alternative routes because these roads are steep and winding.
- Current Vermont 4-H members (who are listed in 4HOnline) can now bring a horse to show that is not their project animal. They are not eligible for the 4-H championships, but they may enter the non 4-H Fitting and Showmanship and Project classes, as well as all of the other classes available to them. They are eligible for division championships. Please refer to 4-H Equine Event Safety Rules on the website: <http://www.uvm.edu/extension/youth/pdfs/projects/livestockpackets15/horse15/4Hequinesafetyrules15.pdf>
- Approval forms for those going in 4-H classes (Fitting and Showmanship and Project) must be brought to the in gate for those classes. The gate person can hold them for you, or someone with you can take it after it is checked. It is your responsibility to get your approval form back after your classes.
- Not quite so new, but if it rains it will be – you may camp in the 4-H Exhibit Hall for \$25 for the weekend. In the event of rain or heavy winds, this may be a wonderful opportunity! This building has a dirt floor and is not wired for multiple electrical hook ups. It does have lights. The doors are sliding doors on each end of the building. So, there are to be **no electronic devices plugged in (this includes fans) and no cooking inside of the building.** Water is available by the outside faucets nearby and the bathrooms and showers are nearby. We will limit the space you may use. This is the fourth year of doing this so we may have to change things as we go along. We will require that an adult be in the building with the group. The cost for camping in this building will be \$25 for a space about 10 X 12. If you need more space then you may need to pay for another spot. Lights go out at 10:00 P.M

In an effort to help with the continually rising cost of running the show without increasing stall and entry fees, the committee will continue the camping fee to help offset our grounds expense. People camp for the duration of the show using the grounds, bathrooms, buildings etc. without paying any fee if they do not use an electrical hook-up for the show. This fee is only \$15.00 per family for three days of camping. That is very low compared to camp ground fees.
