INSTRUCTION FOR COMPLETING YOUR LIVESTOCK APPROVAL FORMS

This form is to be used for any species except equine. Use one form per species and submit a new form every calendar year.

1. Check your project area. One form per project area (example: do not put goats and cattle on one form).
2. Enter your name and full mailing address. Include a phone number where we can reach you.
3. Enter your age as of January 1 of this year and enter your date of birth.
4. Include your county of 4-H club membership and the name of your club. Enter independent if you are not in a club.
5. Make sure your leader signs and dates the form.
6. Breed: Enter the breed of the animal (Hampshire, Nubian, etc.).
7. Animal’s name: as it appears on the registration papers for purebred animals. For grade animals, enter the name you use for the animal.
8. Animal’s birth date: You must include the day/month/year of each animal’s birth. This determines the class you show your animal in.
9. Sex: indicate status – ram, ewe, wether, doe, buck etc.
10. All animals should have permanent identification. Photos are appropriate for breeds with distinctive color markings. A tag, tattoo or freeze brand identifier is necessary when submitting a one-sided sketch. Breeds without color marking need to be identified by tag, tattoo or freeze brand.
11. Date of purchase or date lease/loan went into effect. Include day/month/year. Various events require ownership/lease/loan by a certain date. This varies by species so check with your County Educator for details.
12. Check if lease/loan applies. A copy of the lease/loan form must be submitted with the approval form.
13. Sharing of animals between 4-H members is not allowed.
14. All goats and sheep must have a scrapies tag.
15. Approval forms are necessary for participation in certain events. Questions on who must complete approval forms should be directed to your County Educator. Your forms should be sent to the following UVM Extension office:

16. Sharing of project animals between 4-H members is not allowed. Make sure that the entries you are exhibiting are properly approved 4-H animals and are prepared for exhibition by your own efforts. You should not allow any adult or other people to prepare any part of your animal for exhibit (from the N.H. Responsibilities as a 4-H Animal Exhibitor).
