

Washington County 4-H Foundation Application for the Hogan, McFaun & Moulton Leader Scholarship

(February 2024)

These scholarship funds will be awarded to 4-H leaders who want to participate in opportunities to strengthen their skills in positive youth development. Scholarship monies are intended to alleviate the financial burden for leaders as they facilitate hands-on learning and life skill development activities.

Each year 4-H leaders volunteer time and financial resources toward making 4-H a welcoming space for youth to learn life skills and create amazing learning opportunities. This scholarship looks to give back to the 4-H leaders who work so hard for our youth.

There are many training opportunities and conferences that volunteers can attend and that would make them even stronger leaders, but often these events come at a cost which we feel should not fall back on the leaders who already give so much. Great leaders often want to provide opportunities at the club level that are financially burdensome and we would also like to make these funds available to help defray those costs.

Please submit this scholarship request at least one month prior to the date of the event.
