

Dear 4-H Families,

State Day will be held in-person on **Saturday, May 4th 2024, at the Vermont Granite Museum, 7 Jones Bros. Way, Barre, VT 05641**. We will once again also offer a virtual option using Flipgrid.

What is State Day?

4-H State Day is an experience where youth can grow and further their self-confidence in public speaking, presentation, and communication skills. Youth benefit from evaluators' feedback on their exhibits and presentations while sharing their knowledge with others. State Day is also a competition where youth and their presentations are selected to represent Vermont 4-H at the Eastern States Exposition in Springfield, Massachusetts in September.

Other important information:

- **Important note:** Youth must first participate in their county or regional contests which typically take place on a weekend in April. Reach out to your [county educator](#) for more details.
- In most cases, exhibits at the regional/county level will continue onto State Day. You can find full details regarding exhibit specific requirements by going to the [Public Speaking and Communications](#) page.
- Cloverbuds are welcome to participate and there will be a Cloverbud Corner in Flipgrid and at the in-person event. Cloverbuds will only receive feedback and will not be scored.
