- Special topics courses (095, 096, 195, 196, 295, 296), as well as courses that are cross-listed with those above, may meet general and distribution requirements; check with CAS Student Services (cas@uvm.edu).
- A course used to fulfill any of the four requirements above may also be applied towards a distribution requirement.
- No course may fulfill more than one B.A. or B.S. distribution requirement, except a foreign language literature course, which would fulfill both the Foreign Language distribution requirement and the Literature distribution requirement.
- No more than three courses from the same department can be used to satisfy B.A. or B.S. distribution requirements.
- Major and minor requirements may also be used to fulfill general and B.A. or B.S. distribution requirements.
- Not all courses listed are offered every semester, or every year, so plan accordingly.
- Except where noted, only courses of 3 credits or more will satisfy B.A. or B.S. distribution requirements.
