Apple Cider Pancakes

2 cups all-purpose flour
4 Tbsp. granulated sugar
1½ tsp. ground cinnamon
2 tsp. baking powder
1 tsp. baking soda
½ tsp. salt
1 cup apple cider
1 cup buttermilk
2 large eggs

4 Tablespoons vegetable or canola oil
2 tsp. vanilla

For topping:
2 to 3 apples peeled, cored and chopped into large chunks
½ cup packed brown sugar
2 Tbsp. unsalted butter
1 tsp. cinnamon

Heat a pancake pan or a large griddle over medium heat. In a mixing bowl, whisk together the dry ingredients; flour, sugar, cinnamon, baking powder, baking soda and salt. Set aside. In another mixing bowl, whisk together the wet ingredients: apple cider, buttermilk, eggs, oil and vanilla. Add wet ingredients to dry ingredients and stir with a wooden spoon. Do not overmix. Batter should be lumpy. Using a ¼ cup scoop (or an ice cream scoop); pour batter on a hot griddle. Cook pancakes on the first side, until you see air bubbles appearing around the edge and toward the center. Flip and cook about 2 more minutes. Place pancakes on a large plate and cover with aluminum foil each time you add to the stack to keep them warm. Melt butter in a large skillet. Add apple chunks. Cook stirring often, until apples are soft but not mushy. Add brown sugar and cinnamon and cook until sugar melts into a syrup. Remove from the heat. Top pancakes with topping and serve.

Marco Ayala’s Recipe
Apple Cranberry Chicken Salad

2 chicken breasts
olive oil (as needed, for cooking)
¾ cup walnuts (chopped, or slivered almonds or pecans, toasted)
¼ cup dried cranberries
½ cup celery (diced)
¾ medium red onion (finely chopped)
3 apples (diced)

4 to 6 tablespoons mayonnaise (to taste)
2 teaspoons fresh lemon juice
¼ tsp. chili powder or pepper flakes
¼ tsp. curry powder (or to taste)
¼ teaspoon salt (or to taste)
¼ teaspoon ground black pepper

Cut chicken breasts into bite size pieces and season with salt, pepper and chili powder or pepper flakes. Place a lightly oiled skillet over medium heat. Add the chicken breasts to the hot skillet and cook them for about 6 minutes, or until browned. Flip and continue cooking for about 5 minutes longer, or until thoroughly cooked. Avoid overcooking. Put ¼ cup of chopped walnuts, slivered almonds, or pecans in a dry skillet. Place the skillet over medium heat and cook, shaking the skillet and stirring and turning the nuts constantly, until they are lightly browned and aromatic. This should take about 3 to 4 minutes. Pour the toasted nuts out onto a plate immediately to stop the cooking process. In a bowl, combine the diced, cooked chicken, cranberries, celery, onion, apple, and walnuts, if using. In a cup or small bowl, combine 4 tablespoons of mayonnaise, lemon juice, curry powder, if using, salt, and pepper. Stir the mayonnaise mixture into the chicken, adding more mayonnaise as needed for moisture and for flavor. Line the bread with lettuce leaves and spread the chicken salad on the lettuce. Or serve the chicken salad on lettuce-lined plates with slices of avocado or tomatoes.
