

Vermont's 2014 Dairy Farm of the Year

Springfield, Vermont

A photograph of a Vermont dairy farm. In the foreground, there is a field of young green corn plants. To the right, a blue tractor is parked on a dirt path. In the middle ground, there is a large white arched structure, likely a covered walkway or feed storage, and a red barn with a grey roof. The background shows a line of trees and rolling hills under a blue sky with some clouds.
