

2023 No-Till & Cover Crop Conference

Cover Crop and
Manure Management

<https://go.uvm.edu/2023ntcc>

March 2, 2023 - So. Burlington, Vermont

Our Speakers

GLEN ARNOLD is a Professor with The Ohio State University and serves as an extension Field Specialist in the area of Manure Nutrient Management Application.

DONN BRANTON is a farmer from western New York operating 1750 acres. He is also involved with the Soil Health Group.

AARON RISTROW directs the American Farmland Trust's Genesee River Demonstration Farm Network in collaboration with the USDA NRCS, partnering with 12 farm operations.

ERIC SEVERY owns Matthew's Trucking along with his father Matthew Severy. They operate an extensive manure management fleet and have been in the manure application business for the past 20 years.

GERARD TROISI has a Bachelor's degree in Biology from California University of Pennsylvania and has been an independent crop advisor in central Pennsylvania for 34 years.

KIRSTEN WORKMAN leads extension programming and applied research for Cornell's PRO-DAIRY program.
