

**UNIVERSITY OF VERMONT EXTENSION
 MIGRANT PROGRAMS VOLUNTEER RECRUITMENT AND SCREENING PROCEDURE**

While volunteerism is crucial to the success of migrant worker programs like Migrant Health and Education, it is a privilege, not a right to be a volunteer. Because of the influence that volunteers have on populations with limited access to needed services, it is critical that volunteers be selected so that the integrity of the volunteer efforts can be maintained. Migrant Health and Education Programs have funding limitations and volunteers can play an important role in ensuring access to health and education services for program participants. Migrant Health clients rely on community volunteers to provide transportation to health appointments, for food access support and health care providers who offer free health services. The Migrant Education Program works with volunteers to offer virtual and home-based English instruction to enrolled students and to mentor enrolled students. Volunteers who are connected to the community through UVM Extension Migrant Health and Education Programs and have adequate Spanish language skills may decide to take on additional roles on their own such as playgroups for families, transportation to social events and the like. Effective September 2, 2014, University of Vermont Extension implemented a new Migrant Programs volunteer selection policy and procedure that includes a background screening process with the Vermont Criminal Information Center (VCIC). All Migrant Programs volunteers will be required to go through a screening process. We welcome undergraduate college students as volunteers as long as they meet the volunteer requirements.

Screening Process:

Volunteers are considered representatives of University of Vermont Extension when carrying out Migrant Health and Education Programs work, and must adhere to the following procedure when applying to become a Volunteer:

1. Complete the **University of Vermont Extension Volunteer Application form.**
2. Read and sign the **Confidentiality Agreement.**
3. Read and sign the **Release of Liability Form.**
4. Read and sign the **Code of Conduct form.**
5. Complete the **Vermont Child Abuse and Neglect/Adult Protective Services Registry Form.** In addition, please be advised that the UVM Extension will also conduct a Vermont Criminal Information Check and the State Coordinator will review any convictions listed, using the volunteer criteria:
 - a. Conviction of a criminal offense will not automatically disqualify the applicant from eligibility for a volunteer position.
 - b. The severity of the crime and length of time since the last conviction will also be considered.
 - c. A history of no convictions doesn't necessarily guarantee applicant a volunteer position.
6. For volunteers who will transport students/clients as part of their volunteer role: Fill out UVM Authorization for Review of Motor Vehicle Record online at:
<https://www.uvm.edu/riskmanagement/driver-training-and-certification>
 Once on this page, click the green button "Check Your Driver Certification Status" and on the next page click "Volunteer" and follow the instructions. When you fill out sections 4 & 5 you will need the below info; (Just select one if applying for more than 1 program). You will need to complete this yearly.

7. Your **references** will be sent a form to be completed and returned to the Extension Office. If you have resided in Vermont less than one year, at least one reference must be obtained from previous residence and you will be asked to complete an FBI background check, which will require fingerprints. Please let the Volunteer Coordinator know so they can provide you with directions.
8. Complete a phone interview with a Migrant Health and/or Migrant Education staff member.
9. Upon acceptance as a Migrant Programs volunteer you will receive an official letter, a volunteer card, a copy of your **Code of Conduct** and information about volunteer training.

Thank you for your interest in our programs!

II. VOLUNTEER INTEREST

Migrant Health Programs Volunteer (Check all that apply)

Health Access Transportation Volunteer: Transportation Volunteers transport migrant workers and family members to health appointments. A staff member will provide volunteers with the necessary information to transport workers from their homes to their health appointments. Occasionally, volunteers are contacted for help picking up an over-the-counter medication or prescription. Transportation to appointments is set up a week or two in advance when possible. In this case we send out an email with the dates and appointment times as well as general locations so volunteers can see which trips would fit with their availability. However, many appointments are made last minute due to an illness or injury that has just occurred in which case potential volunteers will receive a phone call or text message. **Requirements:** 20 years of age, commitment to health access for all, valid driver's license, reliable access to a registered inspected vehicle, flexibility to transport on occasion during regular business hours.

Food and Essential Needs Access Volunteer: Volunteers will support access to food and essential needs by assisting with coordination and delivery of food and other essential needs identified by clients and staff. Food and Essential Needs Volunteers will not drive migrant workers or family members as part of official volunteer role. **Requirements:** 16 years of age, commitment to health equity, valid driver's license, reliable access to a registered inspected vehicle (minors need written permission from parent/guardian).

Bridges to Health Volunteer Provider: Bridges to Health Volunteer Providers are licensed health care providers who offer free health and wellness screenings and consults to migrant workers either through Farm Health Outreach visits that take place on the farm or through telemedicine. Staff will provide Medical Provider Volunteers with the necessary information and interpretation to engage in these planned outreach or telemedicine visits and help coordinate any follow up care as needed. **Requirements:** Vermont medical license, commitment to health access/equity for all. **License #** _____ **License Type:** _____

Bridges to Health Volunteer Interpreter: Volunteer interpreters are bilingual volunteers who have completed, at minimum, a full day training on interpreter best practices, ethics and standards. Whenever possible, Bridges to Health relies on health and social service entities to provide trained interpreters. Our volunteer interpreters help fill the gaps when a clinic or services is unable to provide an interpreter or if an in-person interpreter would greatly enhance the outcome of a given appointment.

Migrant Education Program

Volunteer English Instructor: MEP Volunteers teach English to enrolled students online. Once matched with a student or students, volunteers will teach a minimum of 1 hour/week. In person visits are possible but not required. MEP can provide volunteers with instructional materials, but volunteers are welcome to use their own. The MEP OSY coordinator will assess language development and is available for consultation, but volunteers work independently to meet the ESL goals of the students. **Requirements:** 21 years of age and/or completed coursework in English instruction and/or TESOL certification, conversational Spanish, one-year commitment (exceptions are made as part of individually negotiated commitments with program coordinator). Attend mandatory two-hour new Instructor training session either in person or virtually facilitated by OSY Coordinator.

Volunteer Mentor: Provide friendship and positive support to a migrant farmworker youth, ages 16 to 21. Commit to spending at least 4 hours per month spread out over 2-4 sessions scheduled to fit both of your schedules. Mentors meet with youth in person and virtually for activities that support emotional, social, and physical wellbeing. Youth goals include language development, career exploration, and getting to know the Vermont landscape. **Requirements:** 25 years of age, conversational Spanish, able to make a one-year commitment (exceptions are made as part of individually negotiated commitments with program coordinator), valid driver's license and reliable access to a registered inspected vehicle. Attend mandatory two-hour new Instructor training session either in person or virtually facilitated by OSY Coordinator.

IV. HISTORY: *Answering “Yes” to these questions is not grounds for automatic rejection. More information may be requested from you before you can be considered a volunteer for University of Vermont Extension’s Migrant Programs.*

1. Have you ever been convicted of a criminal offense? Yes No
2. Have you ever been convicted for sale or use of controlled substances Yes No
3. Have you ever been charged, investigated or convicted of child neglect/abuse or domestic violence? Yes No
4. Have you ever had your license suspended or driving privileges revoked? Yes No
5. Are you aware of anyone currently sharing your residence with you having been convicted of a felony in the last 10 years? Yes No
6. Are you aware of anyone currently sharing a residence with you having been charged, investigated or convicted of child neglect/abuse or domestic violence? Yes No

If the answers to any of the questions asked above change during the course of your service to Migrant Programs, you are required to notify the University of Vermont Extension.
