

BS CSIS Sample Course Sequence: Catalog Year 15-16

Students who Declare CS Major in the Fall Semester		
Year	Fall	Spring
1	CS 8 CS 21 Math 21* Econ 11 Engl 1 or HCOL 85 CS 50 (1 cr, rec)	CS 110 CS 64 Math 22 Econ 12 Elec?
2	CS 148 CS 121 or CS 124 BSAD 60 Elec? or Stat 143 Elec?	CS 121 or 124 CS ≥1xx BSAD 61 Elec? or Stat 143 Elec?
3	CS ≥1xx Stat 143 BSAD 120 Elec? Elec?	CS ≥2xx BSAD 132 BSAD 150 Elec? Elec?
4	CS ≥2xx BSAD 141 BSAD 173 CS 292 (1 cr) (fall or spring) Elec? Elec?	CS ≥2xx BSAD 180 BSAD ≥1xx Elec? Elec?

IMPORTANT NOTES:

- 1) *Students who do score high enough on the Math Readiness Test must take Math 10 prior to taking Math 22; students who started in Math 19 may take Math 23 instead of taking Math 21+22.
- 2) The following courses are generally offered in both fall and spring semesters, so there is a lot of flexibility as to when you take what:

CS 8, 21, 64, 110, 121, 124, 125, and 292; Math 10, 21, 22; Stat 143, 141, 151; Engl 1

 The example course sequences shown above are just two of many ways you can complete your requirements in 4 years.
- 3) Shown above are only the CS, Math, BSAD, and writing core requirements; Courses shown as electives must include the Science sequence (2 courses) and Humanities & Social Science electives (6 courses). Students must also satisfy the University requirements (D1, D1 or D2, Sustainability); note that University requirements may simultaneously also fulfill other requirements.
- 4) Students complete at least 120 credits (i.e., average at least 15 credits per semester).
