Elective/Distribution/Minor/Diversity Courses	9	Elective/Distribution/Minor/Diversity Courses	9
<i>Total Credits</i>	<i>15</i>	<i>Total Credits:</i>	<i>12</i>

- University minor required. Minors, concentrations, or majors: cannot count both CSD 022 and LING 165; cannot count both CSD 023 and LING 080. You may count one toward the required coursework.
- This model curriculum is designed to meet all course requirements. Changes should be reviewed with a student's academic advisor.
- Must meet University sustainability requirement prior to graduation.
- Minimum of 120 semester credit hours including 6 credit hours of diversity courses and a GPA of 2.5 is required for graduation.
- ¹Physical Science course optimally should be any course with the prefix of CHEM or PHYS. Distribution courses include the following: Fine Arts (3 credits); Foreign Language (6-8 credits); Literature (3 credits); Humanities (6 credits).
