

*\*See page 2 for directions*

**DATE:**

**TOPIC(S):**

**CLASS:**

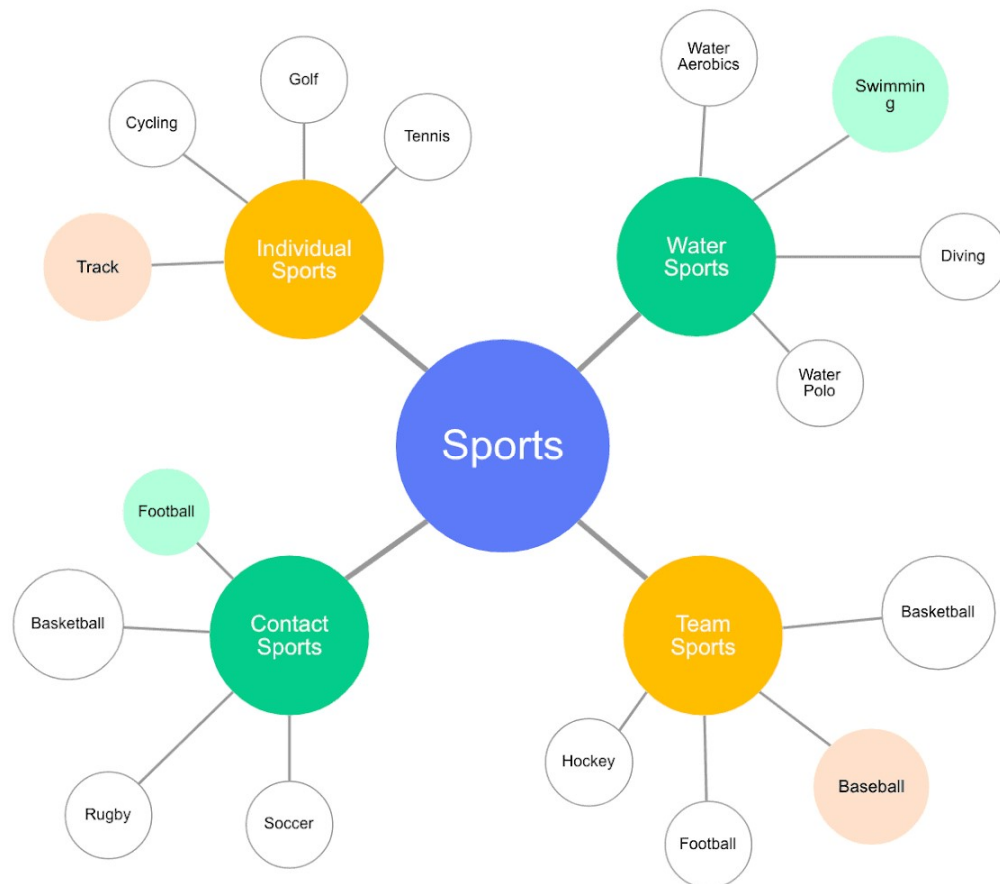

**What are the main concepts in this lecture?**

- 1.
- 2.
- 3.

**The visual process:**

**Directions:** Use a Mind Map when you want a graphic means of representing information, relating each fact/idea to every other fact/idea. List topics, circle the topics, and then draw lines out from each topic for subtopics and details.
