

Men, Stop Sexual Assault and Rape

Join "One in Four"

*NOW Recruiting a Diverse
Group of Members*

What is One in Four?

An all-male sexual assault peer education group that educates men about how to support survivors of sexual assault/rape, and how to safely intervene in risky situations where a sexual assault might happen.

What Does One in Four Do?

Members of "One in Four" present a program called "How to Help a Sexual Assault Survivor: What Men Can Do" to any group of men who will listen.

How Does One in Four Do It?

We teach men how they can make a difference by helping survivors recover from rape; we don't blame them for being the problem. Research shows that our program is one of the most effective men's rape prevention programs.
