# PROFESSIONAL DEVELOPMENT COURSES — SUMMER 2019

---

## EDSP200: SUPPORTED EMPLOYMENT FOR YOUNG ADULTS WITH DISABILITIES

with Winnie Looby and Bryan Dague

---

This course is part one of three credit-bearing opportunities designed to parallel the UVM Supported Employment Training Series. The series is designed for Direct Service Providers, family members & students who work or study in the field of employment for people with disabilities. Through online discussions, readings & individual assignments, students will gain knowledge & skills within four employment services competencies:

- Application of Core Values & Principles to Practice
  - Individualized Assessment & Employment/Career Planning
  - Community Research & Job Development
  - Workplace & Related Supports
-
