Dimension	Index	Indicator	Metric(s) / data (just suggestions for now)
Environment			
	Soil health		
		Soil organic matter %	
		CO2 flux to & from soil	
		Soil active carbon	
		Soil aggregate stability	
		Months of living roots	Farmer reporting
	Water quality		
		Agrochemical runoff	Nutrient mgmt. plans
		Nutrient runoff	
		Soil loss / sedimentation	
	Air quality		
		Dust / particulates	
		Odors	
		GhG emissions	
	Biodiversity		
		Insect, plant, & animal diversity	FAO TAPE (0-4 scale)
		Acres in conservation practices	NRCS, etc
		Land use diversity	NLCD, etc.
	Resource use efficiency		
	1.0000.00 doc officiency	External nutrient use efficiency	N.P.K mass balance
		-	Fuel & power used vs. produced
		Energy efficiency	i dei α powei dsed vs. pioduced
'aanc==!		Water use / irrigation efficiency	
conomics	Food business confliction.		
	Food business profitability	T. C. L. C.	NA 000
		Total sales / revenue	NASS?
		Total costs	NASS?
	Value derived from rural landscape		
		Acreage in production	
		Diversity of farm types	
		Open acres	
		Forest cover	
		VT terroir / VT brand	
	Food business resilience		
		Balance sheet (assets & liabilities)	
		Operational diversification	
		Business growth / fixed mindset	
		Enterprise agility / flexibility	
		Income stability	
		Climate adaptation	
	Distribution chain length, complexity, & localness		
		% local sales	
		% of farm / business inputs bought locally	
		% direct-to-consumer sales	
		Consumer awareness of VT products	
	Community economy	μ	
	y	Wealth/income distribution	
		Availability of good-paying jobs in food systems	
		Business failure rate of food businesses	
		In vs. out of state ownership	
	Externalities in the food system	iii vo. out or state ownership	
	Externallities in the 1000 system	Ecocyctom convices	
		Ecosystem services	
	Francisco fastam (fig. 1) - 1	Ecosystem disservices	
	Exogenous factors affecting food businesses		
		Commodity price fluctuation	
		Impacts of climate change / variability	
	Access to capital / credit		
		Access to credit	
		Access to land	
		Capital markets
