

**University of Vermont Department of Education  
2023 Annual Report - Council for the Accreditation of Educator Preparation  
Measure 4 – Ability of Completers to be Hired in Education Positions for Which They  
Have Been Prepared**

Employment data are collected directly by the University of Vermont through contact with former students. Information is gathered by UVM career surveys and education department staff use web and social media searches. There is no singular source of career data for program completers.

Post-completion data were collected for 93 completers (2022 completers as of March, 2023). The table below provides information on the hire rate of program completers in education positions. **84% of the 93 students located were employed in education.**

**Employment Rates by Completion Year**

Year	Number of Completers	Number Known to be Employed in Education Related Jobs	Percent Known to be Employed in Education Related Jobs  (Number known to be employed/total number of Completers)
2022	131	78	60%*
2021	120	73	61%**
2020	115	80	70%
2019	119	78	66%
2018	143	96	67%
2017	151	112	74%
2016	149	131	88%

\* Another 4% of 2022 completes enrolled in subsequent education upon program completion.

\*\* Another 10% of 2021 completes enrolled in subsequent education upon program completion.
