RADIATION THERAPY
MANDATORIES INFORMATION

FIRST YEAR MANDATORIES DUE

HIPAA/OSHA Training – This training is provided by Evolve e-Learning Solutions, a web-based training provider for HIPAA training and OSHA courses in Bloodborne Pathogens, and Personal Protective Equipment.

You will receive an email from lmsadmin@evolvelms.com with a link to login and a username and password to access the training. Keep an eye out for this email. The deadline to complete this training is AUGUST 15, 2020. If you do not receive this email, check your SPAM folder to make sure it is not there.

NOTE: when you begin your training you will need to “Allow Pop-Ups” by going to your tool bar under Tools and Options and allow the popups.

This is an annual requirement. Remember your password and user id. You will need it to access the courses for next year.

SECOND YEAR MANDATORIES DUE BY AUGUST 15, 2020

THIRD YEAR MANDATORIES DUE BY AUGUST 15, 2020 (INFLUENZA VACCINATION DUE AFTER OCTOBER 1, 2020 AND BEFORE OCTOBER 31, 2020)

- Pre-Clinical Mandatories Form - If you have a history of a positive PPD, include the TB Symptom Checklist which can be obtained from Linda Esposito (Linda.Esposito@med.uvm.edu)
- Proof of influenza vaccination from your health care provider with vaccination manufacturer, date of vaccination, and lot number.
- HIPAA/OSHA Training – Required annually. Log in to the Evolve e-Learning Solutions website to complete your training.
- CPR Certification - CNHS only accepts certification through the American Heart Association Basic Life Support for Health Care Providers OR American Red Cross Professional Rescuer. You will receive email notification about upcoming CPR training offered by CNHS. You will need to submit a copy of the front and back of your CPR card. Submit the required documentation to CastleBranch.
FOURTH YEAR MANDATORIES DUE BY AUGUST 15, 2020 (INFLUENZA VACCINATION DUE AFTER OCTOBER 1, 2020 AND BEFORE OCTOBER 31, 2020)

- Annual PPD - If you have a history of a positive PPD, use the TB Symptom Checklist which can be obtained from Linda Esposito, (Linda.@med.uvm.edu)
- Proof of influenza vaccination from your health care provider with vaccination description, date of vaccination, and name
- HIPAA/OSHA Training – Required annually. Log in to the Evolve e-Learning Solutions website to complete your training.
- CPR Certification – Ensure that your CPR certification will remain valid throughout your clinical experience this year. CPR Certifications are valid for two years. Submit the required documentation to CastleBranch.

---

**Notes from CNHS – Linda Esposito**

Please note, some site placements may require additional mandatories such as a physical, or criminal background check or drug screening.

If you visit UVM’s Center for Health and Wellbeing for your immunization/serology work, you can request a receipt and file it along with the claim to your insurance company.

It is your responsibility to keep track of whether you have submitted your requirements.
CNHS INSURANCE REQUIREMENTS

Proof of Health Insurance Form - Submit this form AND copy of insurance card
*The University does not pay medical costs resulting from injury during clinical/practicum rotations or other curricular activity unless this injury is due to negligence of the University. All CNHS students are required to carry their own health insurance. It is your responsibility to resubmit your insurance if there are any changes.

- Subscriber/Member ID
- Primary Subscriber's Name
- Insurance Carrier
- Subscriber's Relationship to You

It is MANDATORY that you scan and upload this form AND a copy of your insurance card to CastleBranch.

The information included on this form maybe released to the infection control officer and clinical education coordinators at sites where you perform your clinical education experience.
PPD Form

COPIES OF MEDICAL RECORDS/LABS WILL NOT BE ACCEPTED

Frequently Asked Questions

General Questions

Q: How do I submit my documentation?
A: The College of Nursing and Health Sciences uses an online immunization tracker for health clearance and mandatory requirements for all programs. Once you register you will use the same account for the length of time you are in the College of Nursing and Health Sciences. Instructions regarding the use of CastleBranch for submitting your program mandatories will be emailed to you. Please note, UVM's Center for Health and Wellbeing will not submit your documents for you. You will need to pick up your documents and submit them to CastleBranch.

Q: What happens if I can't submit my mandatories by the deadline?
A: It is imperative that you plan ahead to ensure that your mandatories are completed by the deadline. If you fail to submit your mandatories by the deadline, you will not be able to participate in your clinical experience and your instructor will be notified.

It is important to give yourself plenty of time to complete these requirements and to pay attention to email reminders and take action on requests.

CPR Certification

Q: What CPR certifications will you accept?
A: American Heart Association Basic Life Support for Health Care Providers OR American Red Cross Professional Rescuer

Q: What if my CPR certification will expire during my clinical education experience?
A: It is your responsibility to be aware of your CPR certification expiration date. Your CPR certification is required to be valid for your entire clinical education experience. If your CPR certification will expire during your clinical, please renew it BEFORE your clinical starts and submit an updated copy of the front and back of your CPR card with signature to CastleBranch.

Q: Will you accept the American Red Cross Challenge Exam for my CPR Certification course?
A: No, the American Red Cross Challenge Exam is not accepted. It serves as a refresher and not a certification course.

Q: How do I find out about upcoming CPR classes?
A: CNHS offers CPR courses at least twice per semester. You will receive email notices regarding how to sign up through http://vtsafetynet.com/ for upcoming CPR course dates.

Q: How do I register for a CPR class?
A: To register for a course through the American Heart Association, go to http://vtsafetynet.com/ Click on the “Take a Course” tab at the top. Click on the “BLS for the HealthCare Provider” course and fill out the registration. Payment will be due in cash at the class. (It will say FREE on the website but that is only for registration purposes.) The courses we offer are $40 and are offered at a substantially discounted cost for UVM students.

HIPAA/OSHA Training
Q: How often do I need to complete HIPAA/OSHA training?  
A: You are required to take annual on-line training through Evolve e-learning for HIPAA/OSHA training. RADT 4th year students are required to take an abbreviated HIPAA refresher course. OSHA training includes Bloodborne Pathogens, and Personal Protective Equipment courses. Information regarding these trainings will be emailed to you.

Q: What happens if I can’t access my coursework once I sign in to Evolve?  
A: In order to see your courses you should make sure you allow Pop-Up Windows. You can do this by going to your toolbar under Tools, Options, and Privacy and Security and making sure that the Block pop-up windows is not checked off.

**Influenza Vaccination**

Q: Am I required to get a flu shot?  
As a CNHS student you are required to receive the influenza vaccination to protect yourself, and patients with whom you come into contact. Most internship sites require students to receive the influenza vaccination within flu season. This is typically October – April.

**PPD**

Q: If I have a PPD Skin Test and it is positive, what should I do?  
A: First time positive only:  
You will need to be assessed to determine why the skin test is positive. Reasons may include previous BCG vaccine, latent TB (exposed, but not active), or active TB. This will require a symptom review done by your healthcare provider and chest x-ray. First time positive, you will need to submit a copy of the radiology report, the Symptom Checklist form, and the PPD form signed by your healthcare provider to CastleBranch.

Q: If I have a history of a positive PPD, what should I do?  
A: Do not get another PPD skin test because this will continue to result as a positive. Instead, ask your health care provider to perform a TB symptom review. Bring your TB Symptom Checklist form to your appointment for the healthcare provider to fill out and sign. You will then need to submit your Checklist in CastleBranch.

Q: What if I have difficulty getting an appointment with my doctor for my PPD?  
A: You often do not need a full office visit appointment for the placement and reading of your PPD. Ask if a nurse can place/read your PPD instead. Walk-in clinics and pharmacies will also provide these services.

**Additional Questions**

Q: How will I know when my mandatories have been completed?  
A: Is it your responsibility to keep track of the documents that you submit to ensure you have met all requirements. **You will know your mandatories are complete when all document trackers on your CastleBranch.com account display a green check mark. It is your responsibility to coordinate and maintain compliance and record keeping. The program will facilitate coordination to clinical sites, but**
this does not eliminate the need for you to maintain quickly available, complete and updated requirements at any time.

Proof of Health Insurance (copy of your card), the Health Insurance form, PPD test, and the Influenza vaccine are all annual requirements.

Q: Does CNHS cover the cost of my immunization and serology work?  
A: It is your responsibility to cover the cost. If you visit UVM’s Center for Health and Wellbeing for your immunization and serology work, you can request a receipt and file it along with the claim to your insurance company.

Q: Who do I contact if I have additional questions?  
A: Linda Esposito  
Linda.Esposito@med.uvm.edu  
College of Nursing and Health Sciences  
106B Rowell Bld.  
Burlington, VT 05405
