FR:        Scott L. Thomas, Dean and Professor
RE:        CNHS Update – Event Cancellations and Modifications

Due to the extraordinary moment that we are all working through, after extensive consultation, we have made the decision to cancel, suspend, or modify the following important spring traditions:

1. **CNHS Honors Tea** is cancelled.
2. **The Zeigler Research Forum** will not be held this year.
3. **CNHS Honors Day** is cancelled.
4. **CNHS faculty meetings** scheduled for April 6 from 1:30-3:30 p.m. and May 11 from 9:30-11:30 a.m. will be shortened to one hour and move to a virtual platform.

These decisions were not easy, and the importance of honoring individual achievements and celebrating the College will not be lost. The CNHS community exemplifies the capacities of good judgment, responsibility and sensitivity required in these circumstances, and we will return to our usual schedule of recognition and celebration when circumstances allow.

Scott L. Thomas, Ph.D.
College of Education and Social Services, Dean
College of Nursing and Health Sciences, Interim Dean
University of Vermont
