PLEASE NOTE: Errors will occur in the listings of candidates for graduation. Because of the time required for preparing the program, the listings may contain names of persons who will not receive a degree at this time and also may omit the names of a few persons who will receive degrees. These errors are unavoidable.

The University of Vermont is a 504 Title IX Affirmative Action Institution.

Dear Graduates,

Today we celebrate you, our newest graduates, in a way that we've never done before, and in a way that I think no one would have forecast at the start of this academic year. We eagerly look to the day when we can be together again to honor the Class of 2020 and your many achievements. But the conferring of degrees for our graduates is not to be delayed—it is an important recognition of these years of immersion and discovery, of diligence and breakthroughs, that we acknowledge today and celebrate with your family and friends.

I hope every one of you feels the enthusiastic recognition of the UVM community, and of your loved ones and friends, for all of your hard work and impressive accomplishments leading up to this day.

Not every graduating class enters the world beyond university in such a historic moment. But this is your moment, and we celebrate you now, not only for your achievements, but also for the focus and fortitude that has brought you to this threshold. Every one of you can add the character qualities of adaptability and resilience to your resumes—you have shown that you have what it takes to finish strong in the face of the unexpected. Those qualities will take you far in life and will help shape your path ahead. Wherever that path takes you, we know you will make your alma mater proud!

With all my best wishes,

Honor Societies and Scholars Programs

PHI BETA KAPPA

Phi Beta Kappa, a national honor society dedicated to honoring high academic achievement for liberal arts students, was founded at the College of William and Mary in 1776. It is the nation's first Greek-letter society and is the oldest and most respected academic honorary society. UVM's chapter of Phi Beta Kappa, the Alpha of Vermont, was established in 1848; it is the eleventh oldest chapter on the national rolls of Phi Beta Kappa, and the first chapter to admit both African- Americans and women to its membership.

Tune: Jane Oppenlander '79, G'81

Text: David Cox '49

From the lofty peaks of Mansfield
to the shores of Lake Champlain,
comes a mighty swelling chorus,
whose echo will remain:

Vermont! Vermont! Vermont!
Our University!
Thy loyal sons and daughters
sing in love and praise to Thee!

Vermont! Vermont! Vermont!
Our University!
Thy loyal sons and daughters
sing in love and praise to Thee!

Shadows falling 'cross the campus,
changing seasons' wond'rous scene,
stir our thoughts of Alma Mater,
and her colors Gold and Green:

Vermont! Vermont! Vermont!
Our University!
Thy loyal sons and daughters
sing in love and praise to Thee!

Vermont! Vermont! Vermont!
Our University!
Thy loyal sons and daughters
sing in love and praise to Thee!

Academic Regalia

THE ACADEMIC COSTUME worn today in U.S. colleges and universities is a survivor of the Middle Ages. The University of Vermont was among the first in this country to experiment with the use of academic gowns, requiring their wearing at the graduation of 1806. The experiment was not repeated until mid-century when UVM and other colleges began wholeheartedly to use the medieval scholar's clothing for ceremonial occasions.

The code regulating academic costume is administered by an intercollegiate commission that establishes uniform standards. **BACHELORS'** gowns have closed fronts and long, pointed sleeves. **MASTERS'** gowns may be worn open or closed and have oblong sleeves open at the wrist, the lower portion hanging down with an arc near the bottom. **DOCTORS'** gowns may be open or closed and have velvet facings and three velvet bars on the round, open sleeves. The facings and bars may be of black or of the official colors of the wearer's department of learning.

Hoods are usually black. All are lined in silk in the academic color or colors of the institution conferring the degree, with a chevron for additional colors. A University of Vermont hood is lined with green, with a gold chevron, the official school colors. The color of the hood border indicates the degree earned.

THE CLASS OF 1927 MEMORIAL MACE is carried by the University Marshal at formal university occasions and is displayed on the platform during these ceremonies.

The Mace, a gift from the Class of 1927, is forty-seven inches long, cast bronze, plated in silver, with a black ebony handle. The sculpture on one of the four sides depicts the center section of Old Mill with Mt. Mansfield in the background, symbolizing the founding of the University. Other sides display three students reaching upwards to a lamp, symbolic of learning; the Ira Allen Chapel, symbolizing spiritual guidance; and a group of four persons, symbolizing friendship. It is crowned by the seal of the University.

The Mace was designed and the model sculpted by Richard Simpson, son of Carl G. and Doris Griffith Simpson, both members of the Class of 1927.

THE UNIVERSITY SEAL or Medallion was adopted in 1807 and used until 1871 when it was replaced by a round seal incorporating the name of the College of Agriculture. In 1975 the Board of Trustees voted to restore the original seal to official use, modified to incorporate the Latin name of the College of Agriculture.

The motto on the seal is from Horace, Epistles 1.2.36. Literally, it means "For virtuous studies and matters." In the allusion to Horace's poem it reflects UVM's continuing belief in the utility and practicality of all liberal studies.
