PLEASE NOTE: Errors will occur in the listings of candidates for graduation. These errors are unavoidable.

The University of Vermont is a 504 Title IX Affirmative Action Institution.

Dear Graduates,

Today we recognize you and celebrate all you have accomplished during your time at UVM—the explorations and discoveries, diligence and breakthroughs, academic milestones and personal achievements, and the lifelong relationships made with mentors and friends.

And you have earned a special distinction that we acknowledge today. Your focus and tenacity in the wake of unprecedented challenges have shown the world the mettle that lives within and that will take you far in your life beyond UVM.

I hope you can feel the pride of the entire UVM community as we celebrate you, alongside your families and friends, for the tremendous efforts you've made—especially this year—to get to this finish line, ready to launch into a world that needs your proven resilience and your powers to act as individuals on behalf of our greater humanity. That is an invaluable guiding quality for creating a meaningful future, for yourself and the world, and you each have it in abundance.

You transition from the university at a historic moment, as we begin to reemerge and see with new eyes not only the possibilities but the work for justice and equity that lie ahead of us. The adaptability, cooperation and resilience you've shown will help shape your path as you bring your passions to the world. As you step out on that journey, and wherever the path leads, we know you will make your alma mater proud.

With all my best wishes,

Suresh Garimella

PHI BETA KAPPA

Phi Beta Kappa, a national honor society dedicated to honoring high academic achievement for liberal arts students, was founded at the College of William and Mary in 1776. It is the nation's first Greek-letter society and is the oldest and most respected academic honorary society. UVM's chapter of Phi Beta Kappa, the Alpha of Vermont, was established in 1848; it is the eleventh oldest chapter on the national rolls of Phi Beta Kappa, and the first chapter to admit both African-Americans and women to its membership.

From the lofty peaks of Mansfield
to the shores of Lake Champlain,
comes a mighty swelling chorus,
whose echo will remain:

Vermont! Vermont! Vermont!
Our University!
Thy loyal sons and daughters
sing in love and praise to Thee!

Vermont! Vermont! Vermont!
Our University!
Thy loyal sons and daughters
sing in love and praise to Thee!

Shadows falling 'cross the campus,
changing seasons' wond'rous scene,
stir our thoughts of Alma Mater,
and her colors Gold and Green:

Vermont! Vermont! Vermont!
Our University!
Thy loyal sons and daughters
sing in love and praise to Thee!

Vermont! Vermont! Vermont!
Our University!
Thy loyal sons and daughters
sing in love and praise to Thee!

Academic Regalia

THE ACADEMIC COSTUME worn today in U.S. colleges and universities is a survivor of the Middle Ages. The University of Vermont was among the first in this country to experiment with the use of academic gowns, requiring their wearing at the graduation of 1806. The experiment was not repeated until mid-century when UVM and other colleges began wholeheartedly to use the medieval scholar's clothing for ceremonial occasions.

The code regulating academic costume is administered by an intercollegiate commission that establishes uniform standards. BACHELORS' gowns have closed fronts and long, pointed sleeves. MASTERS' gowns may be worn open or closed and have oblong sleeves open at the wrist, the lower portion hanging down with an arc near the bottom. DOCTORS' gowns may be open or closed and have velvet facings and three velvet bars on the round, open sleeves. The facings and bars may be of black or of the official colors of the wearer's department of learning.

Hoods are usually black. All are lined in silk in the academic color or colors of the institution conferring the degree, with a chevron for additional colors. A University of Vermont hood is lined with green, with a gold chevron, the official school colors. The color of the hood border indicates the degree earned.

THE CLASS OF 1927 MEMORIAL MACE is carried by the University Marshal at formal university occasions and is displayed on the platform during these ceremonies.

The Mace, a gift from the Class of 1927, is forty-seven inches long, cast bronze, plated in silver, with a black ebony handle. The sculpture on one of the four sides depicts the center section of Old Mill with Mt. Mansfield in the background, symbolizing the founding of the University. Other sides display three students reaching upwards to a lamp, symbolic of learning; the Ira Allen Chapel, symbolizing spiritual guidance; and a group of four persons, symbolizing friendship. It is crowned by the seal of the University.

The Mace was designed and the model sculpted by Richard Simpson, son of Carl G. and Doris Griffith Simpson, both members of the Class of 1927.

THE UNIVERSITY SEAL or Medallion was adopted in 1807 and used until 1871 when it was replaced by a round seal incorporating the name of the College of Agriculture. In 1975 the Board of Trustees voted to restore the original seal to official use, modified to incorporate the Latin name of the College of Agriculture.

The motto on the seal is from Horace, Epistles 1.2.36. Literally, it means "For virtuous studies and matters." In the allusion to Horace's poem it reflects UVM's continuing belief in the utility and practicality of all liberal studies.
