

Substitution form for NR 206 – RSENR Honors and Studies Committee

TO BE COMPLETED AS A SUPPLEMENT TO THE FORM: “REQUEST FOR COURSE SUBSTITUTION OR WAIVER FOR A CORE EDUCATION REQUIREMENT”

Name:

ID:

Semester of project/course:

NR 206 is a service learning course in which students partner with local community organizations to address real-world challenges through engaged scholarship and transformative learning experiences. The course is designed to give students practical experience in community engagement and problem-solving such that they are prepared to engage in these activities throughout their careers.

For the RSENR Core Curriculum Committee to consider courses or experiences that might substitute for NR 206, we ask students to provide us with the following information.

General information about the course, project, research, etc. Check or highlight your response.

- Did the course include any classroom time with lecture material or group discussion? Yes No

If yes, please specify:

- Did the course include reading assignments? Yes No
- Did the course include any written work aside from the final paper or report?
 Yes No
- Was the project carried-out in a group or individually? Group Individual
- Did the project require a proposal? Yes No
- Was this project pre-established as a component of the course or designed by students independently? Pre-established Self-designed
- Did students communicate throughout the project directly with the service learning partners or via a faculty/staff intermediary?
 Direct Communication Intermediary

Please answer the following questions (you may submit these separately, typed or handwritten, if necessary):

- 1. Describe your service learning project, providing specific details about planning, management, and implementation:**

- 2. Describe the problem-solving framework that was used in your course/experience:**

- 3. Describe how issues of power and privilege were addressed in your course/experience:**

- 4. How did you measure success with your project?**

- 5. How were your results communicated to the community?**

- 6. Provide a short, concise critical reflection of your project. If you have created a reflection in another format, feel free to append that section here.**

**PLEASE ATTACH TO THE CORE SUBSTITUTION REQUEST FORM AND RETURN
TO THE DEAN'S OFFICE, 220 AIKEN**
