Helping your student be healthy, engaged and successful.
The First Year

SUCCESES & CHALLENGES
Student Success Skill Set

Academic Skills

Social Skills

Sense of Maturity
Student Success

ACADEMIC SKILLS

• Attend classes regularly
• Study more than in high school
• Seek tutoring or academic assistance
• Reach out to faculty/advisor with questions/interests
Student Success

SOCIAL SKILLS

• Independently seek assistance from University staff when problems or concerns arise
• Manage their time appropriately
• Work through conflicts and openly communicate their needs
• Make good, positive decisions about their health (illegal or prescription drugs, alcohol use, sleep, food choices, etc.)
Student Success

SENSE OF MATURITY

• Get involved in clubs and organizations
• Develop healthy and meaningful relationships with peers and faculty
• Seek out programs and resources that are informative
• Be clear about boundaries with others and taking care of self
SUPPORT STUDENT SUCCESS

Tip 1: Assess student’s readiness
Tip 2: It’s okay to wait
Tip 3: Be clear about your expectations
Tip 4: Refer them to resources
Tip 5: Encourage getting involved
Tip 6: Understand how communication flows
Tip 7: Have a Plan… Be Prepared
Tip 1: Assess Readiness

**READINESS**

Clear sense of self (decision-making, maturity, takes initiative)

Eagerness/interest in getting involved

Healthy social life

Steady academic performance in high school

**RE-ASSESS READINESS**

Mostly withdrawn and isolated

Relies heavily on family for structure, support, and advocacy

Difficulty with conflict and ability to cope with failure, disappointment, life challenges

May not take initiative or seek support resources
Tip 2: It’s Okay to Wait…

COLLEGE LIFE CAN BE CHALLENGING, ESPECIALLY IF:

Recently changed or been placed on medications within past year

Sustained a loss or traumatic event within the last 6 months

Cannot independently advocate for themselves, especially if they experience particular challenges such as anxiety or depression

Difficulty in high school establishing consistent and/or strong social networks

Involved in repeated or serious drug/alcohol incidents in high school

Assumes college is a place to get away from past “demons” and/or believes “it will all be different in college”

Not interested in college as a place to be challenged, learn or grow – just views it as the automatic next step.
Tip 3: Safety Expectations
