ACE LEHNER: Artist and Research Talk

301 WILLIAMS HALL
UNIVERSITY OF VERMONT

2/23/2022

5:30pm

Interdisciplinary artist, art historian, and visual culture scholar **Ace Lehner** will discuss some of their recent creative projects, including **Barbershop: the Art of Queer Failure** and current research and publishing endeavors, including the just-published **Trans Visual Culture** issue of **Art Journal**. Dr. Lehner will also discuss other areas of their research and creative practice, exploring topics in portraiture, representation, queer and trans visual culture, and debates and interventions prompted by selfies and social media.

Ace Lehner is an interdisciplinary photography-based artist and scholar specializing in critical engagement with identity and representation.
