

Summer research opportunity

The UVM Transportation Research Center is seeking part- and full- time student research assistants for summer 2022!

Research areas include:

Transportation equity

Sustainable land use and transportation planning

Rural transportation

Pedestrian safety

Who can apply?

current students

recent graduates

Applicants with at least one of the following qualifications are encouraged to apply:

Experience with qualitative and/or quantitative analysis

Coursework in engineering, statistics, social sciences, geography, sustainability, community development, or related fields

Spanish proficiency

Compensation (depends on experience):

Current students: \$12.55 – 16/hr

Recent graduates: \$18 – 25/hr

To apply, please send a resume and cover letter describing your interests to Dana.Rowangould@uvm.edu. Applications will be considered on a rolling basis starting on March 31, 2022.
