Private applied lessons are held during 14 weekly private meetings with the instructor, and are available for variable credit. Students enrolled for one credit of study receive half-hour lessons. Those enrolled for two credits receive full hour lessons.

Students should consult the [Applied Music Syllabus](#) for general information about lesson requirements. Specific requirements will vary from teacher to teacher – students should consult their teacher for this information, including the scheduling of lessons and any repertory/studio classes connected with the lessons.

Attendance at all lessons is a course requirement. When possible, faculty will make up a lesson canceled prior to the lesson time. Missed lessons with no prior notice will not be rescheduled.

There are no refunds of Private Music Fees after the Add/Drop Deadline. If lessons are dropped during the Add/Drop period, you will be charged for all lessons you have taken (or missed) before you drop.

Please be sure you have also registered for your lessons on the web.

I understand that there is a fee for Private Music Lessons that will be added to my UVM bill.
