What is UVM College Panhellenic?

UVM College Panhellenic (CPH)

- The UVM CPH is the body that governs and oversees the chapters present on our campus.
- The CPH is made up of an executive board and a council. The executive board is made up of members from the chapters on campus, and the council is made up of a delegate from each chapter.
Here at UVM, the members of the Panhellenic Community hold certain expectations for each other, like:

- Being actively involved in our philanthropies and events related to them, as well as participating in community service opportunities
- Always being supportive of your sisters, regardless of chapter affiliation
- Promoting Fraternity and Sorority life in a positive light, both on and off campus
- Being committed to education, whether it be scholarship in our undergrad years or social justice-centered educational programming

Philanthropy in our community

Each Sorority in the Panhellenic community has a philanthropy that they are tied to. Our community is no different!

• Each chapter is dedicated to serving and promoting their individual philanthropies
• We are dedicated to community service and providing for the greater Burlington Community
• We strive to provide community and philanthropic service opportunities to all of our members
Our Sisterhood

We strive to create a supportive environment for all of its’ sisters

- Sisters in our community empower and support one another, regardless of affiliation
- We are committed to our sisterhood and our values, and will promote them throughout our membership
- We are a resource for one another, in good times and in bad times
We are dedicated to positively promoting Fraternity and Sorority Life both on and off campus.

- On campus we positively promote FSL through events like Greek Week and Chili Cookoff
- Off campus we are dedicated to giving those in the greater Burlington community a positive outlook on FSL
Scholarship in our community

We are dedicated to furthering our education both academically and socially

• We strive to achieve a certain academic standard and offer many resources so this is attainable.

• We also attend educational programming on subjects such as sexual misconduct prevention, substance abuse awareness, hazing prevention, and other areas of social justice.
Virtual Recruitment

This year we have opted for a fully virtual Recruitment in light of the current COVID-19 pandemic. We have selected a fully virtual recruitment option to ensure that every member of our community, whether that be a woman going through recruitment or a chapter member, is safe and healthy.
What is Primary Recruitment?

What?
The process through which potential new members consider sororities and sororities choose new sisters.

Who?
You!: the women going through recruitment!
Rho Gammas: recruitment counselors who guide you through recruitment. They are disaffiliated chapter members who offer an unbiased place of advice throughout the process.
Last but not least: the chapters!

Sunday September 13th
All sorority members on campus have a financial requirement to pay dues each semester, which fund all the things that make being in a sorority great!

- Dues vary based on the chapter, but you'll find out all of the specific information you need during each Chapter Informational Webinar.
- Dues for new members are often high but decrease after the first semester.
- This is because, as a new member, you'll be paying a lot of one-time fees the first time around!
Financial Information

Here’s a little info about the average dues of the UVM chapters for the 2020 fall semester dues!
