SORORITY INFO SESSION

Brought to you by UVM College Panhellenic
In This Presentation

DISCUSSION POINTS

- What is UVM College Panhellenic?
- UVM Sororities
- Recruitment Overview
- Financial information
Who Is UVM College Panhellenic?

UVM College Panhellenic (CPH)

- The UVM CPH is the body that governs and oversees the chapters present on our campus.
- The CPH is made up of an executive board and a council. The executive board is made up of members from the chapters on campus, and the council is made up of a delegate from each chapter.
What is the Panhellenic Community at UVM like?

Here at UVM, the members of the Panhellenic Community hold certain expectations for each other, like:

- Being actively involved in our philanthropies and events related to them, as well as participating in community service opportunities
- Always being supportive of your sisters, regardless of chapter affiliation
- Promoting Greek life in a positive light, both on and off campus
- Educating ourselves in sexual misconduct prevention, substance use, hazing prevention, and social justice.
UVM Sororities

the chapters and where to find them on instagram!

- Alpha Delta Pi - ΑΔΠ
  - @uvmadpi
- Alpha Chi Omega - AXO
  - @axouvm
- Delta Delta Delta - ΔΔΔ
  - @uvmtridelta
- Kappa Alpha Theta - ΚΑΘ
  - @uvmtheta
- Kappa Delta - ΚΔ
  - @uvmkappadelta
- Pi Beta Phi - ΠΒΦ
  - @uvmpibetaphi
What Is Primary Recruitment?

What?
- The process through which potential new members consider sororities and sororities choose new sisters!

Who?
- You!: the women going through recruitment!
- Rho Gammas: recruitment counselors who guide you through recruitment. They are disaffiliated chapter members who offer an unbiased place of advice throughout the process!
- Last but not least: the chapters!
2020 PRIMARY RECRUITMENT OVERVIEW

Day 1: Orientation Day

Day 2 & 3: How Will You Grow?

Day 4: Philanthropy Day

Day 5: Preference morning & Bid day
Orientation

On this day you will:

- Meet your Rho Gammas
- Meet your catamount groups
- Get your schedule for the rest of recruitment
How will you grow?

You will see three chapters on Day 2 and the other three on Day 3

- This is so there is ample time to get to know each other!
- On these days, you will get to know the chapters and get to see what their sisterhood is like!
- These days are a casual setting, but be ready to be on your feet and bring a water bottle!
Philanthropy Day

On this day, you will see up to four chapters

- You will get to know each chapter’s philanthropy and what it means to them!
- Chapters will also show a financial presentation this day so you know what your financial obligations are like!
- This is another casual day, remember that water and wear comfy shoes!
Preference Morning

You will see up to 2 chapters this day
- On this day you will get to know what the values of each chapter are
- You will also participate in rituals unique to each chapter!
- This day is more formal, so have fun and dress up! You will likely have to walk, so still bring that water bottle!

Bid day

This is when you will finally get to open your bids!
- You will get their bid card from your Rho Gamma and find out what chapter you get to go home to!
- Super fun and casual night, but note that it will partially be outside!
As a member of a sorority, you are obligated to pay dues, which fund all the things that make being in a sorority great!

- Dues vary based on the chapter, but you'll find out all of the specific information you need during each chapter's financial presentation.
- Dues for new members are often high, but decrease after the first semester.
  - This is because, as a new member, you'll be paying a lot of one-time fees the first time around!
Financial Info

Here's a little info about the average dues of the UVM chapters for the 2019-2020 academic year!

- Average 2019-2020 Fall New Member Dues: $1074.40
- Average 2019-2020 Spring Active Member Dues:
  - In-House: $5,063 (only four of our six organizations have a chapter facility)
  - Out-of-House: $737.76
- The 2020-2021 dues information will be available mid-June in the UVM FSL website.
THANK YOU FOR READING!
