A note on packing light: Though you will be “car camping,” we do have a minimal amount of space in the vans/buses for all the groups gear and equipment. When you arrive at your site, the less that you have to keep track of and store in your tent the easier your life will be for the week. The list below is what we find to be most helpful when packing for a week-long car camping trip without being too minimal or having too much.

* Renting/Borrowing equipment: We have a limited supply of some items available to rent or borrow. Those items are indicated with an * symbol.

CLOTHING

A requirement for most of the clothing listed here is that it is not made from cotton. While cotton is affordable and comfortable, when it rains, cotton absorbs a lot of water (making it very heavy), it doesn’t dry quickly (keeping you wet and cold longer) and the fibers compress (reducing its ability to keep you warm). Wool and many synthetic fibers don’t absorb a lot of water, dry quickly and maintain their ‘loft’ when they get wet. Hence, the specificity here on cotton, vs. non-cotton.

- 1 15-liter stuff sack to contain clothes (and become your pillow!)
- Small camping pillow (optional)
- 1 set of non-cotton long underwear tops / bottoms – Synthetic or wool (no cotton) – Great for those cool nights on the water.
- 2 quick dry t-shirts (no cotton)
- 2 long sleeve UPF rated sun-shirts (no cotton)
- 1 cotton t-shirt (optional) – Some find comforting to change into a cotton t-shirt once in camp if the weather is nice.
- * 1 waterproof rain jacket – You don’t want a yellow rain slicker, but something made as a rain jacket for active outdoor activities.
- * 1 pair waterproof rain pants
- 3-5 pairs wool / synthetic fiber socks (no cotton)
- * 1 fleece/or lightweight synthetic down jacket - If a light down jacket, synthetic down is best for our purposes.
- 2 - 4 pairs underwear - However many you need for a week’s worth of living outdoors – we’re not here to judge! No cotton.
- Sports bras (optional) - However many you need for a week’s worth of living outdoors – we’re not here to judge!
- 1 light warm hat - Wool or synthetic fiber.
- Bathing suit
- Small pack towel
