

We have switched to a new ticketing software system. Here are some helpful tips for navigation. Feel free to call us at 802-656-0094 if you have questions.

Step 1: click on the “Purchase tickets for our production of Blue Window here” button on our website (<https://www.uvm.edu/cas/theatreanddance>)

This button will automatically direct you to the University Tickets website, where we will be selling our tickets this season.

Step 2: This link will take you to the page where you can select the performance you wish to attend. Select the type of ticket (Adult/Student/Streaming) you wish to purchase and add the quantity via the dropdown menu. Then click “**select tickets.**”

Step 3: Once you click on “select tickets” the site will bring you into your cart and you may check out and pay. At this point you will proceed to **login/register** and **checkout**. You will need to create an account with University Tickets to finish your purchase.

If you are having trouble navigating our new site, please feel free to reach out and our staff would be happy to help!
