## About the UVM Sourcebook

The UVM Sourcebook is a collection of demographic and financial information about the University of Vermont. It is designed as a reference book for those who wish to know more about the numbers and trends that describe the University's size, costs, resources, and constituent groups.

#### How is it organized?

The Sourcebook is divided into four sections:

Section 1: Student Information Section 2: Personnel Information Section 3: Financial Information Section 4: Topical Information

#### Who put together this Sourcebook?

The UVM Sourcebook is produced by the Financial Analysis and Budgeting Office and the Office of Institutional Research. Information for many pages has been provided by other University offices, including:

Agriculture & Life Sciences, College of Planning, Design, and Construction Continuing and Distance Education Graduate College Larner College of Medicine Sponsored Project Administration Student Financial Services Treasury Management University Financial Services UVM Foundation UVM Libraries

## An Introduction to The University of Vermont, "UVM"

#### (The acronym "UVM" is derived from Universitas Viridis Montis – University of the Green Mountains.)

The University of Vermont and State Agricultural College was formed in 1865 as the result of the combination of the University of Vermont and the Vermont Agricultural College. The University was chartered in 1791, the same year that Vermont became the fourteenth state in the Union, as the fifth college in New England and the twentieth in the United States. The Vermont Agricultural College was formed in 1864 as the State's land-grant institution in accordance with provisions of the Federal Morrill Act.

UVM blends the academic heritage of a private university with the service mission of the land-grant tradition. In 1955, the General Assembly recognized the University of Vermont and State Agricultural College "as an instrumentality of the State for providing public higher education." Even previous to that recognition the State had annually appropriated funds specifically to the Larner College of Medicine and to the Agricultural Services, and had appropriated tuition scholarship funds for Vermont residents in certain fields of study. Beginning in 1956, the State appropriated new funding to subsidize the cost of educating Vermont students.

UVM is the State's flagship university and its only comprehensive research institution of higher education. It is located in Burlington, the largest community in the State with a greater metropolitan population of approximately 218,000. It is approximately 90 miles south of Montreal, 230 miles northwest of Boston, and 300 miles north of New York City.

**The University Seal.** The present official seal of the University was first adopted in1807. It depicts the sun rising over the Green Mountains with the original "college edifice" (the Old Mill), in the upper foreground; a diagram of the Pythagorean proposition, a quadrant and a globe in the lower foreground. The outer ring of the oval includes the motto, and "Universitas V. Montis. A.D. 1791."

**The Board of Trustees.** The 25 members of the Board of Trustees are appointed in four ways. In oddnumbered years, three members are elected by the Vermont General Assembly for 6-year terms, and the nine trustees so chosen constitute the Board of the Vermont Agricultural College established in 1865. In even-numbered years, three members are elected to 6-year terms by a self-perpetuating board of nine trustees who constitute the Board of the University of Vermont founded in 1791. Three trustees are appointed by the Governor of Vermont, one during each odd-numbered year. Each year, one of two students who serve as trustees is selected by the Associated Directors for the Appointment of the University of Vermont and State Agricultural College Student Trustees, Inc., for a 2-year term. The Governor of the State and the President of the University serve as trustees ex officio during their terms of office.

## Applications and Admissions First-Time, First Year Applications by Residence

UVM first-time, first year applications have been on the rise for over a decade. New records were set from Fall 2014 to 2015 with as many as 23,000 out-of-state applicants. However, the numbers from Fall 2016 to Fall 2019 decreased because of the addition of an essay component to the application. Fall 2020 saw an additional decrease because of the COVID-19 pandemic. The number of Vermont applicants, on the other hand, has been stable, in the range of 1,961 to 2,264 in the past ten years.

### First-Time, First Year Admissions by Residence

During the past decade, the total admit rate fluctuates from a low of 67% for Fall 2017 and 2019 to a high of 78% for Fall 2013. Yield rates for Fall 2020 are at 40% for Vermonters and 16% for out-of-state.

## Enrollments by College, Residence and Sex

Headcount enrollments serve as an unduplicated count or census of all students enrolled in the University. Headcount information allows us to aggregate or report enrollment information by student characteristics. The Fall 2020 enrollment report shows enrollments by residence, sex, student level and college or school in which the student's major is located. It should be noted that both full-time and part-time students are counted as "1" in headcount enrollment figures.

#### **Undergraduate Enrollment by State and Vermont County Fall 2020**

Although UVM attracts students from 47 states and many foreign countries, the map above shows that UVM is primarily a regional institution, drawing most of its undergraduates from New England and the Middle Atlantic States.

UVM draws Vermonters from every Vermont County. Chittenden County is home to more UVM undergraduate students than any other Vermont county, followed by Washington County and Frankling County. 46.3% of UVM's Vermont undergraduate student population hails from Vermont counties other than Chittenden.

## **Enrollments by Student Level by Residence**

Out-of-state undergraduate enrollments have grown 9.6%, in 10 years, to 7,645, while Vermont undergraduate enrollments have fallen by 15.6%, to 2,940. Composition-wise, Vermonters account for 28% of the total Fall 2020 undergraduate population. The percent of Vermonters in post baccalaureate enrollment is 39%.

## Students of Color and International Enrollments by College

ω

Undergraduate students of color have increased by 11.5% and total students of color has increased by 21.9% from Fall 2015 to Fall 2020. The COVID-19 pandemic had a large impact on undergraduate and total international student enrollment, which decreased by 39.0% and 39.7% over the same period.

\* Prior to fall 2010, students of color included US citizens or permanent residents whose self-reported race/ethnicity was African American, Native American, Asian American, Latino/Latina, or multi-racial. Beginning fall 2010, students of color include students whose self-reported race/ethnicity is African American, American Indian/Alaska Native, Asian, Native Hawaiian/Pacific Islander, Hispanic/Latino, or two or more races.

\*\* International includes students from other countries in the US on a non-permanent basis regardless of race or ethnic origin.

## **Enrollments by Full-Time/Part-Time and Student Level**

Most of UVM's undergraduates and all of its medical students are classified as full-time. However, nearly half of all graduate and certificate students, and most non-degree students, are enrolled on a part-time basis.

## Full-Time Equivalent (FTE) Students Taught by Student Level

The trends in full-time equivalent (FTE) students taught closely parallel changes in headcount enrollments. Any deviations from this relationship would be due to students taking either a heavier or lighter course load.

## Graduation and Retention

## **Degrees Awarded by Degree Level**

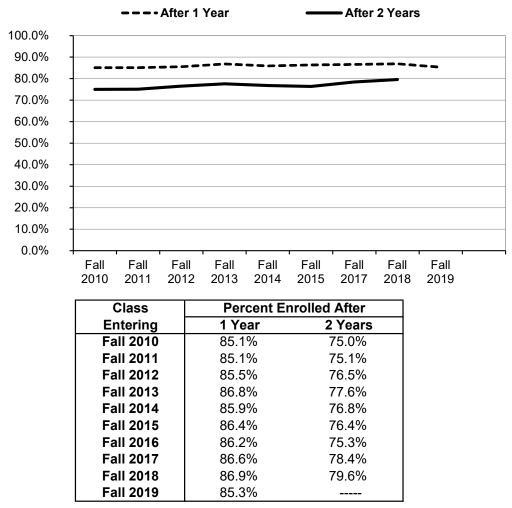

During the past 10 years, the total number of degrees and certificates awarded has increased by 3.5%. Bachelor's degrees account for 77.8% of the total degrees awarded during academic year 2019-20. Graduate programs, masters, doctorates and certificates, account for 18.4% of the awards and the professional medicine (MD) accounts for the final 3.8%.

#### Retention Rates after One and Two Years for First-Time, First Year Students Entering Fall 2010 to 2019

Retention rates, i.e., the percent of entering students still enrolled each year, are closely related to graduation rates. In the past decade, roughly 85.1% to 86.9% of entering first-time, first year students enroll for their second year; after 2 years, about 75.0% to 79.6% of the class is still enrolled.

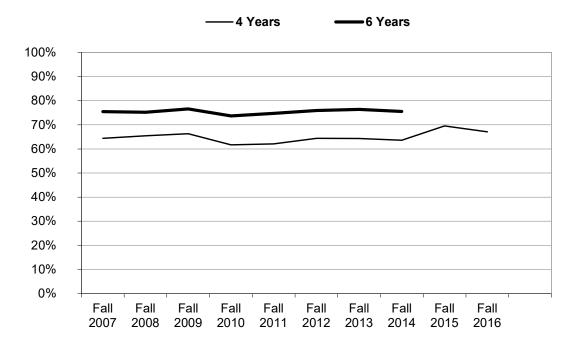

Reasons why students are not enrolled may include transferring to another school, academic dismissal, leave of absence, enrollment in a study abroad or co-op program, early graduation, and personal and financial reasons.

Note: 2018 is the last year with complete data.

#### Graduation Rates after Four and Six Years for First-Time, First Year Students Entering Fall 2007 to 2016

The percent of students who successfully complete their degree programs is one of the University's most important "measures of success." About 75.5% of the first-time, first year class who entered in Fall 2014, the latest class for whom complete data is available, graduated within six years. It is important to note that UVM graduation rates compare favorably with those at other select public universities.

# Faculty & Staff Total Compensation

What goes into the compensation pie UVM faculty and staff earn for the work they perform? The biggest slice is the base wage or salary. Other slices of the pie vary, depending on many different factors including marital status, years of service, presence of dependent children, age, retirement plan participation, and tuition remission use.

Benefits enlarge the pie from a slice to the full and complete compensation package. UVM's benefits package is composed of many ingredients, each one contributing to the worth and wellbeing of the faculty and staff members of the UVM community.

To illustrate, here is a profile of a UVM non-union staff person, a 43-year-old employee, married, with two children, contributing to the retirement plan and attending six credits of UVM classes.

Assuming a position with an annual salary of \$46k and costs for insurance as of July 2020, her total yearly compensation pie looks like this:

In this example, base salary represents 53% of the total compensation package. In addition to the elements above, she also qualifies for 12 paid holidays, 2 personal days, 2 cultural holidays, 15 vacation days and up to 12 days for medical leave. The value of post-retirement medical benefits are not included; in addition tuition remission for faculty and staff dependents are also excluded. Currently full-time in-state academic year tuition including comprehensive fee is \$19,062.

The actual details and the value of the total compensation package will vary depending on the specific family circumstances, salary, and benefit choices made by an employee.

# FY 2021 Expenditure Budgets

# General Fund Expenditure Budget by Object \$370,125,000

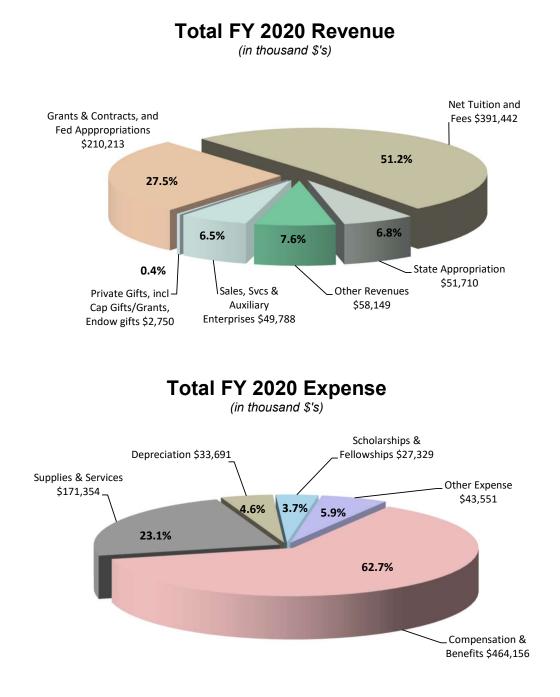

68.2% percent of UVM's General Fund expense budget funds the **compensation** of faculty, staff and students: salary, wage, stipend and benefit costs.

Expense budgets as approved by the Board of Trustees in September 2020, including the use of \$9.4m of net assets.

# **Total University Funds**

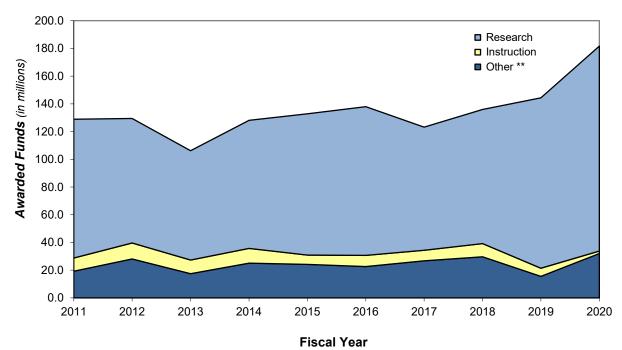

In FY 2020, scholarships and fellowships totaled \$151.6 million. Expense of \$27.3 million represents amounts paid directly to students. Remaining amount of \$124.3 million, representing "scholarship allowances," was applied to student accounts for tuition and fees and residential life fees and is presented as a reduction to tuition and fee revenues.

## **Endowment and Similar Funds**

Endowment funds represent gifts to the University. These gifts are to be invested prudently by the institution and the investment income is to be used for specific purposes. Although income from endowments is primarily restricted, a small portion of the University's endowment is unrestricted and supports general fund operations. Endowment funds at the end of each year are valued at the market value of investments held.

# **Consolidated Endowment Market Value & Total Return**

Market Value of Consolidated Endowment (FY 2011 - FY 2020)

The consolidated endowment, with its pooled funds for investment purposes, represents the largest portion of the University's total endowment. The endowment pool grows from new gifts plus its total return, less spending and investment management expenses. Over a 10 year period beginning June 30, 2011 and ending June 30, 2020, the total market value of the consolidated endowment has grown from \$318 million to \$383 million.

The primary long-term investment goal is to attain a real total asset return that exceeds the amount being distributed for spending and administration, currently set at 4.75% of the previous 13 quarters' average market value. Other important investment objectives are to achieve annualized returns in excess of the strategic policy portfolio blended benchmark, measured over a full market cycle; and to outperform the median return of a pool of endowment funds with broadly similar investment objectives and policies.

## **Comparison of Endowment & Private Support - FY 2019**

**Endowment per Student.** Endowment support is an important component of UVM's budget. In FY 2019, the ratio of UVM's endowment market value to the number of FTE students was \$47,460 per student.

**Total Voluntary Support per Student.** UVM's total voluntary support per student FTE (which includes all gifts and grants from individuals, corporations, foundations, and organizations) was \$3,828 in FY 2019.

Alumni Giving Participation. 8.0% of UVM's alumni population made a gift to the University in FY 2019.

# **State Appropriation Requests and Actions**

## FY 2015 - FY 2021

UVM communicates its funding needs to the State of Vermont through its legislative request, or "UVM Request," as shown below. The Governor then makes a recommendation based on UVM's request, which is sent to the Legislature for action. "% Incr." reflects change over prior year.

# **Topical Information**

# **UVM** Libraries

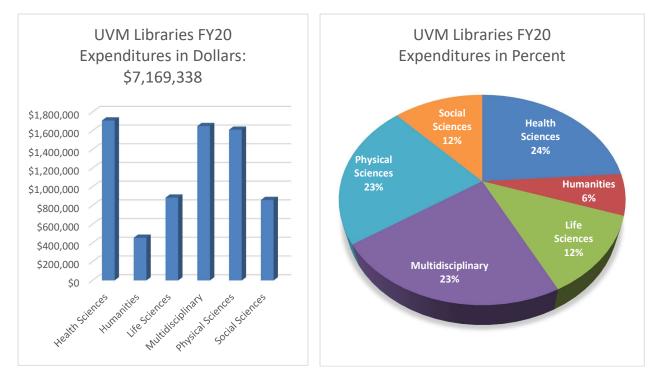

The University of Vermont Libraries furthers the creation, application, and dissemination of knowledge by providing access to information resources. The Libraries are a vital component of the University's commitment to excellence in instruction, innovation in research and scholarship, and dedication to public service. Collectively, the UVM Libraries are northern New England's largest public-research facility.

The Libraries' unique and important collections are distributed throughout three main locations: Howe Memorial, Dana Medical and the Silver Special Collections Library; as well as through the Libraries Research Annex and additional leased off-site storage.

The Libraries' total annual budget exceeds \$15 million, including salaries and benefits, with a collection that consists of over 770,000 books, 900,000 government documents, 396,351 ebooks, 119,321 serials titles, 343 databases, 55,176 media materials and 19,500 linear feet of manuscript and archival materials. Library operations and services are carried out by 26 full-time librarians, 4 part-time librarians, 44 full-time staff, and 4 part-time staff. Approximately 37,000 patrons use the UVM Libraries each week. The Libraries online resources, including the Center for Digital Initiatives, ScholarWorks institutional repository, and UVM's online catalog, CATQuest, are available 24/7 and across the state and beyond.

Library Liaisons serve as the principal contacts between the Libraries' and campus departments and programs. They are a key part of the teaching, learning and research lifecycle of the university. Liaisons provide direct instruction of research and critical thinking skills to assist students in the successful completion of their assignments and the development of lifelong learning-skills. Through one-on-one consultations, librarians provide in-depth research assistance to both students and faculty. They also work with instructional and library faculty to select print and electronic materials to support teaching and research.

The Libraries offer a variety of workshops, lectures, and exhibits throughout the year for both the campus community and the general public, on topics as diverse as technology, privacy, book arts, health sciences, Vermont history, and database and internet search tools.

# UVM Larner College of Medicine

Established in 1822 as one of the nation's first medical schools, The Robert Larner, M.D. College of Medicine at The University of Vermont provides significant value to the community, the state and the region.

The mission of the Larner College of Medicine is to educate a diverse group of dedicated physicians and biomedical scientists to serve across all the disciplines of medicine; to bring hope to patients by advancing medical knowledge through research; to integrate education and research to advance the quality and accessibility of patient care; and to engage with our communities to benefit Vermont and the world.

In 2016, the UVM Board of Trustees voted to name the College of Medicine in honor of 1942 alumnus Dr. Robert Larner's \$100 million in lifetime giving. The new name became official on September 23, 2016.

## Medical Education

Over 33% of all physicians and 40% of the primary care physicians practicing in Vermont received their education or training at UVM, and each year over 6,000 applicants compete for 124 places in the entering class. Graduates go on to residencies at top institutions nationwide, many choosing to pursue careers in primary care. The College has long been in the forefront of medical education and is recognized as an innovator among medical schools worldwide. The curriculum offers students a firm grounding in the basic sciences, early access to diverse clinical experiences, exposure to world-class research, and an emphasis on community engagement, helping students to become competent, compassionate, dedicated physicians with a life-long desire to learn. In addition, the College has made a commitment to active learning over the last five-year period, an initiative that has garnered international attention from educators and prospective medical students alike.

## Research

The College has taken an innovative, multi-disciplinary approach to medical research that builds on its strengths in several key areas: cardiovascular disease; neuroscience, behavior and health; cancer; pulmonary and environmental disease; immunobiology/infectious disease; metabolic disease; and health services and outcomes research. In FY 2020, the College received approximately \$105 million in external funding to support basic science and clinical research. The College is home to national Centers of Biomedical Research Excellence: the Vermont Center for Behavior and Health, the Vermont Center for Cardiovascular and Brain Health, the Cardiovascular Research Institute of Vermont, the Translational Global Infectious Disease Research center (TGIR), and the Vermont Center for Immunology and Infectious Diseases. In addition, in collaboration with the Maine Medical Center, the College received a five-year, \$20 million National Institutes of Health (NIH) Clinical and Translational Research Network grant to develop and sustain a clinical and translational research infrastructure improving rural and community health for residents of Vermont, New Hampshire and Maine. Most recently, a \$5.47 million NIH grant has funded the creation of the UVM Center for Biomedical Shared Resources.

## Patient Care

Through a partnership with the University of Vermont Health Network, Larner College of Medicine clinical faculty provide care for the people of Vermont and northern New York that is informed by medical education and research-based expertise. The University of Vermont Medical Center, part of the 6-hospital network, is a 562-bed regional referral center providing advanced care to approximately 1 million residents in Vermont and northern New York, with a Level I Trauma Center, the University of Vermont Cancer Center, the University of Vermont Children's Hospital, and a Level III Neonatal Intensive Care Unit. The organization also includes more than 30 patient care sites and 100 outreach clinics, programs and services across Vermont and northern New York. The College also has a branch campus in Connecticut through its partnership with Nuvance Health, and a clinical teaching affiliation with St. Mary's Medical Center in West Palm Beach, Florida.

#### **Community Service**

Serving the world we live in is a vitally important mission of Larner College of Medicine. The College is a key partner with state leaders in finding solutions for the issues that affect patients, populations and policy, and many of our programs serve as national and global models of excellence. Larner faculty, staff, and students have played key roles in addressing emergency needs during the COVID-19 pandemic. The College is involved in community outreach and health improvement programs throughout Vermont, including the statewide Area Health Education Centers program, second-year student public health projects, Schweitzer Fellows, Community Medical School and more. In addition, faculty and students visit classrooms around the state with science programs like SMILE Docs and Project MICRO, which encourage the pursuit of careers in science and medicine.

# **UVM Agricultural Services**

**UVM Agricultural Services** personnel have worked throughout Vermont in cooperation with citizens, agricultural and natural resources-based agencies and enterprises, and Vermont communities since the founding of the Experiment Station in 1886. Through these services UVM is committed to sustaining Vermont's working landscape and cultivating healthy communities.

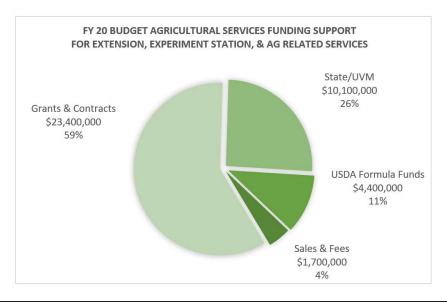

The **Vermont Agricultural Experiment Station** is a state/federal partnership created by the state legislature in 1886. The Station addresses Vermont's agricultural issues through research. In FY 2019, Station researchers conducted 132 projects funded by public and private sources. Station researchers are nationally and internationally recognized for their excellence. Areas of particular research prominence include (1) sustainability of Vermont agriculture; (2) quality of the natural environment; (3) foundational and exploratory research in agriculture; (4) nutrition, food safety and food security; (5) animal health and production. A complete description of the research can be found on the VT-AES website (http://www.uvm.edu/vtaes).

**UVM Extension** is a state/federal partnership created by the state Legislature in 1913, which works to provide and facilitate research, education and outreach with our partners for the people of Vermont. Located in offices throughout the state, Extension faculty, staff and trained volunteers provide timely, research-based education, helping Vermonters to make sound decisions about their families, communities, businesses and the natural environment. In the past year, UVM Extension offered 450 significant educational events (educational programming of six or more hours), serving more than 5,690 non-traditional students. Thousands more learn by participating in interactive, online webinars; visiting the UVM Extension (www.uvm.edu/extension) or attending workshops website and other educational/informational events. Extension's signature farm, home and community television show "Across the Fence" on WCAX-TV in Burlington produces over 260

shows a year and, reaches an estimated 16,000-18,000 households each day plus several thousand additional subscribers and followers via YouTube and Facebook. In addition, Extension's highly successful 4-H and other youth programs provide educational opportunities with more than 10,500 youth contacts through experiential learning and community service. Faculty and staff are committed to helping increase agricultural business profitability, enhance forest and farm stewardship and safety, promote economic vitality, increase adult and youth life skills and involvement in communities, and improve nutrition and food safety for thousands of Vermont consumers.

The **Agricultural Related Services** is a state-supported income/expense activity that provides land and facilities to support agricultural and life science teaching, research, and outreach programs. Facilities include the Proctor Maple Research Center, Morgan Horse Farm, Entomology Research Center, Pringle Herbarium, UVM Greenhouses, Blasberg Horticultural Center and the UVM Miller Farm.

# UVM Graduate College

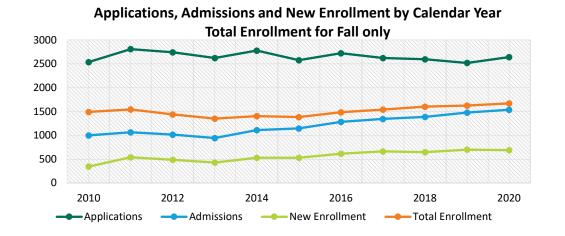

The graduate programs at UVM encompass doctoral and master's education in the basic and applied sciences and engineering; professional doctoral studies in education, nursing, and physical therapy; professional master's programs in education, nursing, business, public administration, public health, and social services; and master's programs in the humanities and social sciences. Accessibility to the graduate faculty is key to the educational experience, with high quality advising and direct research supervision identified by students as primary program attributes.

# UVM Alumni

# Our External Community: Alumni, Parents, and Friends

The community of UVM extends beyond the campus, throughout the city of Burlington, the state of Vermont, every state in the U.S., and 92 countries around the world. When the 2,442 undergraduate, graduate, and medical students in the class of 2020 graduated in May, they joined 119,259 members of the Alumni Association.

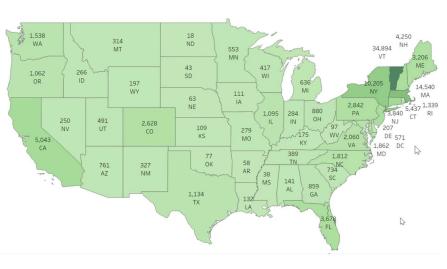

UVM has 121,701 living alumni, of which 79% hold undergraduate degrees, 12% hold graduate degrees and 5% hold more than one degree from the University. UVM alumni in Vermont currently number 34,894. More than 52% live in the New England states while there are 1,287 who report living in other countries.

The UVM Alumni Association — a standing committee of UVM Foundation — fosters lifelong relationships among a vibrant, global and diverse community engaged by a common desire to preserve, celebrate and enhance the University of Vermont and to enrich the lives of its members. The UVM Alumni Association is led by a 23-member board of directors and delivers programs in more than 35 geographic locations, including NextGen Councils in key alumni population centers of Boston, New York, San Francisco, Vermont and Washington DC. UVM Alumni House, located at 61 Summit Street, serves as a campus home for all UVM graduates and provides a vibrant hub connecting alumni with the campus community under the roof of a historic home with many modern amenities, including a new events pavilion.

In FY2020, over 19,480 alumni, parents and friends made a gift to UVM. Over 10,000 alumni and parents supported UVM last year in a variety of ways, including serving on boards, mentoring students, assisting with admissions recruitment, planning local UVM events, raising money for the UVM annual giving programs, and helping students find jobs through UVM Connect, the University's online networking community.

# UVM Continuing and Distance Education (CDE)

**CDE** supports the University of Vermont's commitment to lifelong learning and global outreach. Through the development and delivery of courses, programs, and professional certificates on the UVM campus, online, and at off-campus locations, CDE provides part-time and professional students with access to the University's academic resources and student support services. CDE also provides programmatic, online, technical, and administrative support to all students, including UVM undergraduate and graduate students enrolled in Summer University and those participating in faculty-led programs abroad or semester-long travel study programs.

- College Credit, Academic Year. During the academic year, over 1,000 CDE students have access to 600+ oncampus and online course sections each semester. CDE attracts high school students, visiting undergraduate students, pre-graduate and pre-professional students, and working professionals. These students enroll in credit courses in preparation for undergraduate and graduate programs, professional certification, career advancement, or lifelong learning. CDE also supports specialized credit-based programs, like the Guaranteed Admission Program and the Post-Baccalaureate Pre-Medical Program, enabling students to prepare for successful matriculation into subsequent educational programs.
- Summer University. CDE facilitates nearly 7,000 UVM undergraduate, graduate and part-time student enrollments across about 400 courses during Summer University. Through innovative on-campus, off-campus, field study, internship, online, and travel study courses, students earn credits toward their degree programs and explore new areas of interest. This enables students to complete requirements for undergraduate, graduate, and professional programs, while engaging with University faculty and visiting instructors.
- Pre-College. Through the State of Vermont Dual Enrollment Voucher Program, eligible Vermont high school juniors and seniors are able to enroll in two college courses tuition-free. In addition to the voucher program, high school students have access to other University tuition savings and scholarship programs. Around 450 high school students enroll in Summer University introductory level classes as well as Summer Academy courses specifically designed for these students.
- Professional Certificates & Non-Credit Courses. CDE develops and delivers professional certificates, short courses, and other non-credit learning opportunities for individuals interested in continuing their education, preparing for a career change, enhancing their skills, completing an industry certification or credential, and/or engaging in lifelong learning. CDE has a long-standing history of providing professional certificate programs in Leadership and Management, Project Management, Healthcare Leadership and Management, as well as other customized professional development and training opportunities. More recently, CDE offers innovative and online industry leading certificate programs such as the Business of Craft Beer, Fundamentals of Digital Marketing, Cannabis Science and Medicine, and the End of Life Doula Professional Certificate.
- Aiken Lecture Series. As the premier public policy event on the UVM Campus, this annual lecture celebrates the legacy of former Governor and U.S. Senator George Aiken and his wife, Lola. Ranging from culture, politics, and humanities, to the environment, and on to engineering and design, Aiken lectures typically draw over 1,000 participants to the UVM campus.
- **OLLI**. The Osher Life Long Learning Institute with over 1,000 members in Vermont offers programming for adults 50+ on the UVM campus, throughout Vermont, and international travel programs each year.
- Legal Issues in Higher Education. For over 25 years, this annual conference attracts approximately 325 onsite and web streaming participants from higher education administration, student affairs, and the legal community. This conference has an outstanding reputation and attracts a national audience.

# Glossary

Admit Rate (%) - The percentage of applicants who apply who are offered admission.

Admitted Students (Admits) - The number of applicants offered admission.

Applicants - Students who apply for admission to a degree program.

Appropriation - Legislative authorization to expend funds for a specific purpose.

**Base Budget -** The total continuing expenditures and related resources allocated to carry outpresent levels of program activity.

**Budget** - Authorized and estimated expenditures to be made in a definite time period as well as the estimated source of funds for such expenditures.

**Capital Appropriation -** Allocation from the State of Vermont for capital (fixed assets) construction, purchase, or renovation.

**Composite Benefit Rate -** A simple ratio (or percentage) of benefit costs divided by a cost base of salaries and wages paid.

Debt Service - Disbursements made for principal and interest requirements on institutional debt.

**Endowment Funds** - A fund group stipulated by donors' gift instruments as non-expendable but which may be invested for the purpose of producing income. Income accruing from such investment can be expended.

Enrolling Students (Enrolls) - The number of admitted applicants who actually enroll.

**Facilities and Administrative Cost Reimbursement** - Payment by a sponsor to the University for a portion of those costs (e.g. plant maintenance, library operations, research, departmental and general administration) not readily identifiable with a particular project but which support the sponsored activity.

First-Time, First Year Students - Students enrolled at the University who have had no previous college experience.

**First Year Students -** All first-time, first year students (first-time freshmen) and all other undergraduates with fewer than 27 credit hours.

**Full-Time Enrollment -** The number of students who are taking at least a minimum "full-time course load." A minimum full-time load is defined as 12 student credit hours per semester for undergraduate and non-degree students and 9 credit hours for graduate and certificate students. All medical students are considered full-time. Students enrolled in GRAD903 are also considered full-time.

**Full-Time Equivalent Students Taught (FTE-S)** - An indication of teaching loads derived from student credit hours taught (SCH) where total student credit hours are divided by the defined full-time credit hour load. It is the numerator in calculating the student-to-faculty ratio. For undergraduate and non-degree students a full-time load is defined as 15 credit hours a semester, 30 credit hours for the full academic year. A full-time load for graduate and certificate students is defined as 12 credit hours a semester, 24 credit hours for the full academic year.

**Full-Time Equivalent (FTE) Faculty -** All full-time faculty have a full-time equivalency (FTE) equal to 1.00. Part-time faculty have a full-time equivalency ranging from 0.00 to 0.99 based upon their job responsibilities and length of appointment. University FTE does not make any distinction based on how the faculty member is paid, i.e., University general fund, research grants, formula funds, etc.

**General Fund -** A portion of current operations utilizing net tuition, state appropriation, and other general income as revenue in support of academic, administrative, and departmental operations.

**Graduation Rates -** The percentage of entering first-time, first year students who graduate from the University within a set period of time, usually 6 years.

**Headcount Enrollment -** The total number of students enrolled. Each student counts as 'one' regardless of the number of courses or credit hours taken.

**Headcount Faculty** - The total number of persons employed, either full-time or part-time, whose primary appointment title is that of a faculty member.

**Part-Time Enrollment -** The number of students who are taking less than a minimum full-time course load.

**Restricted Resources -** Funds such as grants, contracts, gifts, or endowment income that must be spent for a specific purpose designated by an external sponsor or donor.

**Retention/Retention Rates -** The percentage of undergraduate students who are enrolled at the University after one, two, three, etc. years.

**Sponsored Funds** - Grants or contracts that require periodic fiscal and project reporting to a sponsor (very often a federal/state agency).

Yield Rate (%) - The percentage of admitted applicants who actually enroll.
