Single/Sole Source Justification and Quotation Evaluation Form

Campus departments should follow these instructions to determine how bids are required to be solicited prior to purchasing goods and/or services.

(A) **Purchases between $2,501 and $25,000**
Formal price solicitations are not required for items in this range. Purchasing Services highly recommends that informal price-checking and quote-gathering may generate substantial savings to your budget. Purchasing Services is available to assist departments by providing them with supplier names and/or contact information to obtain pricing quotes for their needed goods or services.

(B) *** NEW 1/1/2021 - Sponsored Projects/Cost Share Fund Purchases between $10,001 and $25,000**
Requisitions in this range for purchases on Sponsored Projects/Cost Share funds, or that could potentially be transferred onto a Sponsored Project at a later date, can now follow the same guidance as (A) above. **OMB revised an increase to the micro-threshold purchases in November 2020 and UVM will now follow the same guidelines for all purchases.**

(C) **Purchases between $25,001 and $100,000**
Requisitions in this range must be submitted with a completed Quotation Evaluation Form including a minimum of (3) three supplier quotes attached, unless using an approved contracted supplier or if an item or service can only be purchased from one supplier, in which case a Single/Sole Source Justification Form must be completed and submitted with the requisition.

(D) **Purchases $100,001 and greater**
Purchases at this level are subject to the Request for Proposal (RFP) process. Purchasing Services will work with the requesting department to develop and incorporate the scope of work into UVM’s RFP template. The RFP will be issued to a minimum of (3) three suppliers for formal bids. All RFP documents and supplier correspondence, communications, and responses will be managed by Purchasing. If an item or service can only be purchased from one supplier, then a Single/Sole Source Justification Form must be completed and submitted with the requisition.

Purchasing Services will have final approval to determine whether Quotation Evaluation Forms or Single/Sole Source Justification Forms comply with UVM policy.

For additional information on purchasing procedures, please contact Purchasing Services at 656-6610 or email to purchasing@uvm.edu.
