\(^2\) ITIN is an Individual Taxpayer Identification Number
Step 2: Individual Information

REQUIRED FILEDS

Date of Birth.
Marital Status.
Telephone: Enter your U.S. phone number.
Email Address: This is a very important field. We will send any FNIS notifications as well as information on the availability of IRS Forms 1042-S. Please note that these notifications may be sent after you leave UVM. This is why it is important that we have the most current email address for you on file.
If more than one email address needs to be entered, separate them with a semi-colon, do not use spaces. Example: fnis@uvm.edu;tax.services@uvm.edu
Date First Ever Entered USA: This is the first time you in came in the U.S., regardless of what visa type you had at the time.

Do not fill other fields in Step 2.

Step 3: Address Information

REQUIRED FILEDS

USA Local Address: If a consent to receive FNIS forms electronically is not provided, this is where your 1042-S forms will be mailed. Please make sure to update as needed.
Foreign Residence Address: Address in the country where you live and pay taxes.

Step 4: Additional Information

REQUIRED FILEDS

Country of Passport/Citizenship: If you have multiple passports, use the one that your I-20, DS- 2019 or I-797 shows you being a citizen of.
Country of Tax Residence: Country where you live and pay taxes. This may or may not be the same as your Citizenship country.
Self-Employment. This applies only if you are self-employed, generally this is a “no”.
Other Information. Answer “yes/no” to the questions that apply to you, “unknown” to the rest of the questions.
Step 5: Visa/Immigration Status History

This is a very important step. Failure to provide an accurate visit history may result in an incorrect tax withheld from your UVM payments.

- Please note that here we are asking you to enter a U.S. visit history. If not completed, you will be asked to redo this step.
- Click the **Add New Record** button to enter a record. Fill out required fields. Repeat as many times as needed until all U.S. visits are entered.
- Each record you create should begin with the date that you entered the U.S., and end with the date that you left. Your entry / departure date should be listed on your passport stamps or on this website: [https://i94.cbp.dhs.gov/i94/#/home](https://i94.cbp.dhs.gov/i94/#/home). If you do not have exact dates, enter your best estimate.
- The first record should begin with your first time ever in the U.S.; that is the same date you entered in Step 2.
- For OPT, CPT and Academic Training enter the status as a separate record. Immigration status will be either F-1 or J-1 with the Primary Purpose of the visit as “practical training”.
- For your current visit, use the end date from your current Form I-20, Form DS-2019, Form I-797 Approval Notice, or EAD card as the Last Date in the U.S.
