* **Provisional F&A rates** are used for fiscal years without a federally negotiated F&A rate. F&A rates have been negotiated through FY21. **Predetermined rates** are federally approved F&A rates. The **next base year** used to negotiate F&A rates for future years is FY20.

** **Extension F&A rates** must be used for all Extension proposals/awards regardless of the extension related activity including extension sponsored research or service projects.
