

# Get Started in 5 Easy Steps

1

### Download LiveSafe

Search for & download "LiveSafe". Tap "Open" to start registering.

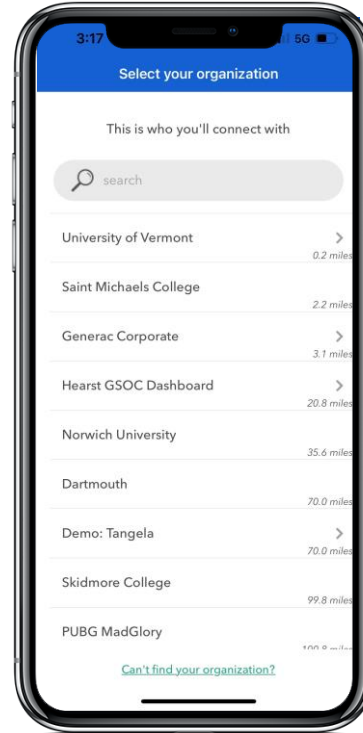

2

### Create a LiveSafe Profile

Use your full UVM email ([firstname.lastname@uvm.edu](mailto:firstname.lastname@uvm.edu)) to create a LiveSafe Profile. Do not use your UVM password for your profile set-up

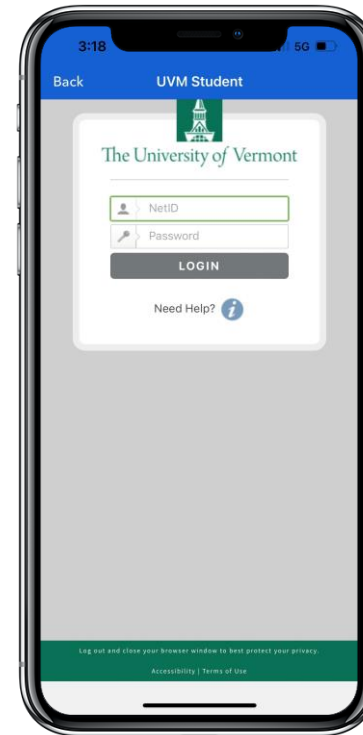

3

### Search for and Select University of Vermont

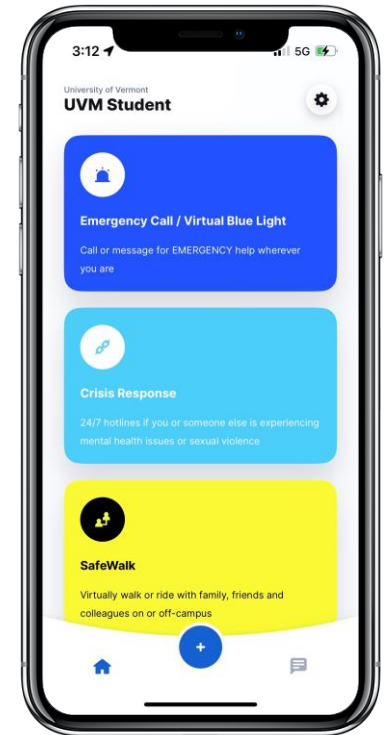

Under Manage Organizations, and then choose community: Student, Employee, or Visitor

4

**Input your UVM credentials when joining the Student and Employee communities you are prompted for your UVM ID and password**

5

### Welcome!

You'll know you're in the right place when you see your organization's name in the top banner.

Remember to enable location sharing to get the most out of LiveSafe functionality, such as receiving emergency alerts relevant to your location and virtual escorting through SafeWalk.

## Share Info with Campus Safety Partners

- Report an incident. Let us know anonymously if you chose, message us or attach pictures/video
- Use Safewalk to invite contacts to digitally accompany you on a map
- Access critical resources

## Get LiveSafe

- Download “LiveSafe” from the Google Play or App Store
- Search for & select your organization. Choose your community
