

A monthly message with upcoming events, tools, and tips for UVM families.

August is just around the corner ☀️

Happy summer, Catamount families! I hope these warm July days are treating you and yours well. We are looking ahead to the start of the 2023–2024 academic year and are excited to welcome your student to campus—whether for the first time or as a seasoned member of the UVM community.

As part of UVM's virtual summer orientation, I recently hosted [A Family's Guide to College Transition](#) with my colleague Joe Russell, Assistant Dean of Students. We discussed strategies for preparing students for college life, as well as the many resources available to Catamounts once they arrive. I encourage you to take a look and, as always, [let me know](#) if you have any questions.

Colleagues from across the university are contributing to this summer's Orientation programming, so be sure to visit [our webpage](#) for details and recordings. As we get closer to move-in and the start of the fall semester, stay tuned for additional information from UVM!

Wishing you a wonderful summer,
Erica

Erica Caloiero
Vice Provost for Student Affairs

Important reminder(s)

Immunization Requirements

Due ASAP

Has your new student submitted their vaccination information? All incoming undergraduate students are required to provide this information, as well as some graduate and PACE students.

Support Resources

Living Off-Campus	<p>Off-Campus Living Guide</p> <p>Do you have a student who is living in an apartment off-campus? Is your student nearing the end of their residential requirement? Check out the Office of Student and Community Relations' (OSCR) Off-Campus Housing webpage for helpful advice and resources.</p>
UVM Dining	<p>Dining Plan Options</p> <p>Each of our meal plans offers a variety of meal options that will satisfy varied dietary requirements, tastes, and schedules. With multiple dining locations across campus, there is truly something for everyone. Students can change their meal plans through September 11, 2023. Learn about our options on UVM Dining's website.</p>
Campus Safety	<p>The LiveSafe App</p> <p>LiveSafe is a versatile mobile two-way safety communications platform and tool. Students can call or message Campus Police Services for emergency help from anywhere, or use the SafeWalk 24/7 virtual escort tool. Learn more about the app and our safety initiatives.</p>
UVM Libraries	<p>Library Support Specialists</p> <p>Your student has a subject partner in UVM Libraries! When that first assignment feels overwhelming, staff specialists are available to help and manage specific subject areas. Learn how our librarians can support your student in their research and instruction.</p>

Career Corner

Career Boost Workshops July 18-19

If your student is looking for some career prep this summer, the Career Center's 1-hour workshops are perfect for anyone looking to develop their professional online presence, craft an effective resume/cover letter, find jobs or internships, develop their network, nail an interview, or negotiate a salary.

In case you didn't know...

UVM Students Champion Nature's Rights at U.N.

As world leaders gathered at the United Nations last month, Juliana Neira, Shashank Poudel, and Nina Smolyar—an international trio of UVM graduate students studying environmental and social issues—took the global stage to advance a new legal effort to protect the planet.
