

Don Hipes, EMG '95. Don volunteered at the helpline for over 18 years, volunteering over 1,700 hours! He thoroughly enjoyed sharing his broad range of knowledge of horticulture not only with Vermonters, but also with interns he mentored at the Helpline. We remember Don as being patient, calm, smart, shy, dedicated, kind and having a great sense of humor. Don passed away in October 2019.
