

**Jeff Young, Master Gardener Class of 2005
Northwest Chapter**

What is your favorite area of gardening to learn about?

Trees and flowering shrubs

What is your favorite pest to manage?

Humans

What would you consider to be your pride and joy in your home garden?

Many flowering shrubs

What is your favorite gardening 'go to' book or other resource (educator, column, magazine, etc) for research and learning on horticulture topics?

American Gardener, Horticulture Magazine

Do you have a favorite garden you like to visit? Favorite nursery to buy plants?

UVM Horticulture Farm, Cobble Creek Nursery

What EMG projects do you/did you work on?

Pollinator garden at UVM Horticulture Farm and Taylor Park in St Albans

What has changed about gardening since you first became a Master Gardener? What hasn't changed?

I now live on St. Simons Island, Georgia. It's a whole different world of gardening. I am working as a docent volunteer at the St. Simons Island Land Trust which runs the Canon's Point Preserve, a 600 acre wildlife preserve.
