

Patti Westburg, Master Gardener Class of 2012
Project Leader - Rutland Chapter Plant Sale
Rutland Chapter

What is your favorite area of gardening to learn about?

My favorite area of gardening to learn about it is learning all the names of the different plants.

What is your favorite pest to manage?

My favorite pest to manage is the rabbits and other animals that get into the flower and veggie garden.

What would you consider to be your pride and Joy in your home garden?

I would consider my flower and vegetable gardens to be my pride and joy but especially my hydrangeas and hibiscus plants.

What is your favorite gardening 'go to' book or other resource (educator, column, magazine, etc) for research and learning on horticulture topics?

My favorite go to book for research on horticulture topics would be the internet or Leonard Perry's website.

Do you have a favorite garden you like to visit? Favorite nursery to buy plants?

My favorite nursery would be local Garden Time.

What EMG projects do you work on?

The EMG projects that I work on are the Fairground project, also the compost project there, Pine Hill park sometimes, I am the chairperson for the plant sale.

What has changed about gardening since you first became a Master Gardener? What hasn't changed?

Not much has changed since I have become a master gardener only I am a lot busier.
