

# Pollinator Resource List 2021

Gathered by the UVM Extension Master Gardener Pollinator Working Group  
(feel free to alphabetize or organize this list)

Below are links to resources provided by EMG Elizabeth Manning with research by Cheryl Frank Sullivan and Margaret Skinner of the UVM Entomology Research Lab for your use should you wish to include this information in the sessions you're hosting.

For the general public <https://www.uvm.edu/newsstories/news/habitat-plants-pest-management>

Presentation of the research :

<https://www.uvm.edu/~entlab/Landscape%20IPM/Powerpoints/VT%20Greenscape%20Attracting%20Natural%20Enemies%20Cheryl%20Sullivan%20Dec2019.pdf>

One pager:
