

Wendy Sue Harper

Wendy Sue Harper Ph.D. has over 20 years of experience in ecological agriculture education and technical assistance. She has taught the concepts of ecological agriculture, soil science, and composting using skill-building approaches at educational institutions including Green Mountain College, the University of Vermont and Dartmouth College. Wendy Sue teaches the soils and composting session for the Master Gardeners and the compost biology session for the Master Composters. She has also worked for UVM-Extension, Northeast-SARE, and NOFA-VT. Currently, Wendy Sue is self-employed; her business, WSH Consulting in Monkton, VT, provides educational and technical services to the farming and gardening community. Email: wsh@gmavt.net
