

The University of Vermont

September 1st, 2020

Faculty Senate President, the following candidate from the College of Arts & Sciences has completed all requirements for their degree.

I move that the Senate recommend this candidate to the Board of Trustees for the awarding of the appropriate degree and consider them as an August 2020 graduate. After review of their record, they have completed all necessary graduation requirements. The rationale has been included below for this student.

The College of Arts Sciences strongly sponsors this request.

Yu Zhou

Qingdao China

She was accidentally left on the Bachelor of Science graduation list, but has actually completed a Bachelor of Arts degree in Psychological Science. She should be removed from the Bachelor of Science listing and added to the Bachelor of Arts.
